An Overview of the Services and Treatment at a Controversial School for Special Needs Individuals

Glenda Crookes Executive Director

Judge Rotenberg Educational Center, Inc.

Glenda Crookes, director of the Judge Rotenberg Educational Center, will present an overview of the services and treatment at a controversial school for special needs individuals. The talk will include case studies of difficult clients, the unique educational program, and an overview of the program as a whole, including the use of aversive interventions on the most difficult clients.
