- Yes
 No

11. History of criminal convictions*

I <input type="checkbox"/> have**, <input type="checkbox"/> have not ever been convicted of a criminal offense.
<i>If I have, the conviction was:</i>

* Applicants should understand that falsification of information is grounds for immediate dismissal of your application and dismissal from any program into which you were admitted based on the falsification of this item. Matriculation in some programs (i.e., clinical) requires students to submit to formal background checks.

** Applications should understand that felony convictions do not preclude you from being considered for graduate training but will likely limit opportunities for practicum and internship placement, professional licensing, and future employment.
