### Updates to BACB Experience Standards and Supervision - 5th edition

**Dr. Jon Baker, BCBA-D**  
**Assistant Professor/BA EUP Coordinator**  
Western Michigan University

Upcoming changes to BCBA/BCaCA Experience Standards are outlined in the 5th edition task list and related materials. These changes will go into effect beginning Jan 1st, 2022, however, many processes and systems need to be developed to ensure a smooth transition prior to then. To review these changes, discuss potential updated processes, and answer questions related to this topic, BAGSO has arranged a brown bag discussion with Dr. Jon Baker, WMU's VCS Coordinator.
