Description of Study (including methodology, if research or description of field experience [including names of site and supervisor]):

Sign below, have the faculty member who will supervise your work sign below, then return completed form the PSCI office.

I understand that research involving human subjects must have prior approval of the research proposal by the appropriate University review body, thus assuring compliance with the regulations for the protection of such subjects of for the use of such materials. (See the reverse side of this form for the specific requirement.). In addition, I understand that The Graduate College will not approve any master's thesis, specialist project, or doctoral dissertation which does not comply with these requirements, and in that event no credit will be granted for the course.
