Western Michigan University Business Curriculum Guide

Pre business requirements:

- 48 credits hours must be completed prior to applying to one of the majors in the Haworth College of Business (HCoB);
- Accounting majors (or minors) must earn a 2.5 or higher in BUS 123 and 124 before being allowed to go on to higher level accounting courses;
- **Economics in business** majors are required to take one semester of Calculus, or Calculus with Applications, as a cognate course. Depending on the student’s math background, this may change some of the other choices that are made in selecting math courses;
- Visit the Haworth College of Business website for a listing of majors and minors;
- Students must be admitted to the Bachelor of Business Administration (BBA) curriculum prior to taking the junior and senior level courses;
- If you have an established GPA at WMU, and you are planning to major in a business program, your WMU GPA must be at least a 2.5 overall. This point applies only to students who have already attended WMU;
- The following courses must be completed before you can be admitted to the professional BBA curriculum in the Haworth College of Business. Each course must be completed with at least a 2.0 grade:

- BUS 241

General education requirements and other notes:

- Click on this link for WMU general education requirements. Students from ACC should take one course from each of the following Areas: I, II, III, IV, VI, VII, VIII and Proficiency 4. The other general education requirements are met by the courses that you are taking for the pre-business curriculum;
- All business majors will have an automatic minor in General Business except those who are majoring in General Business;
- Although a foreign language is a good skill to cultivate, it is not a requirement for WMU business college students;
- For more information, contact the business advising office indicated below.
