Western Michigan University Aviation Curriculum Guide

Pre aviation curriculum requirements:

- The aviation program has 3 different majors:
  - Flight Science (pilot training);
  - Technical Operations;
  - Management and Operations (management and technical support);
- The Flight Science major has several requirements for access to flight courses:
  - A Chief Flight Instructor-approved application for each ground school and flight lab;
  - An FAA 2\textsuperscript{nd} class medical (1\textsuperscript{st} class is recommended);
  - Enrollment in flight theory courses is subject to a minimum grade point average of 3.0 for community college students and transfers from other 4 year colleges and/or universities and minimum ACT Math score 20 or minimum SAT Math score 520 or math placement of MATH 1110 or higher at WMU;
  - Availability of aircraft and instructors.

The following courses are required of all 3 majors and may be taken at OCC:

<table>
<thead>
<tr>
<th>WMU courses</th>
<th>OCC courses</th>
</tr>
</thead>
<tbody>
<tr>
<td>COM 1700</td>
<td>COM 1290</td>
</tr>
<tr>
<td>STAT 2160</td>
<td>MAT 1580</td>
</tr>
<tr>
<td>MATH 2000</td>
<td>MAT 1600</td>
</tr>
<tr>
<td>PHYS 1070 &amp; 1080</td>
<td>PHY 1610 &amp; 1620</td>
</tr>
<tr>
<td>IEE 1020</td>
<td>ENG 1510 or 1520 or 2200</td>
</tr>
<tr>
<td>Gen Ed Area VIII</td>
<td>PER 1590</td>
</tr>
</tbody>
</table>

Required for Flight Science majors only:

- ECON 2010
- PSY 1000
Required for Management and Operations majors only:

- CIS 1020
- ECON 2010
- ECON 2020
- ACTY 2100
- ACTY 2110
- MKTG 2500
- BUS 1750
- PSY 1000
- CIS 1050
- ECO 2620
- ECO 2610
- ACC 1810
- ACC 1820
- MKT 2520
- BUS 1100
- PSY 2510

Required for Technical Operations majors only:

- BUS 1750
- BUS 1100

Important notes:

- Satisfactory completion of all CFR Part 147 requirements in the Technical major prepares students to take the Federal Aviation Administration (FAA) Airframe and Powerplant written and practical exams;
- Flight Science majors are strongly encouraged to obtain the FAA First Class Medical Certificate before committing to this program. An FAA Second Class Medical Certificate is a prerequisite for the first flight course;
- All Flight Science students are required to subject themselves to the college-approved drug testing procedure before being allowed to participate in any flight activity in University aircraft;
- Graduates of the Flight Science major earn their FAA Commercial Pilot Certificate with Instrument and Multi-engine Land ratings;
- For information on airplanes, hangars, engines and other technical items, please visit the WMU College of Aviation website;
- For program information, please contact the advising office indicated below.
