General education requirements and other notes:

- Please see the [general education program transfer guide](#).
- All students graduating from the College of Arts & Sciences must meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language, or passing WMU’s proficiency by exam. Please contact the College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions. Neither the MACRAO Agreement nor the MTA satisfy the world language requirement.
  - If the student’s first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the student was required to take the TOEFL test for admission, and can be verified through the WMU departments of Spanish or World Language and Literatures.
- The College of Arts & Sciences requires a critical thinking course, to be chosen from Proficiency 4c. See the general education guide cited above. MACRAO nor the MTA will cover this requirement;
- The College of Arts & Sciences recommends that you apply to WMU at least nine months prior to your anticipated start date;
- For specific information about general education questions please contact the College of Arts & Sciences (A & S) department, listed below;
