Western Michigan University Criminal Justice Curriculum Guide

Criminal Justice curriculum requirements:

- The main goal of the program is to provide the knowledge and skills necessary for students interested in careers in criminal justice. However, students will also be well prepared to pursue professional or graduate work in law, criminology, and other areas such as the Police Academy;
- The following courses are required and must be taken before any of the core requirements:

<table>
<thead>
<tr>
<th>WMU courses</th>
<th>NCMC courses</th>
</tr>
</thead>
<tbody>
<tr>
<td>SOC 2000 or 2100</td>
<td>SOC 171 or 120</td>
</tr>
<tr>
<td>SOC 2600</td>
<td>CJ 102</td>
</tr>
<tr>
<td>ENGL 1050</td>
<td>ENG 111 or 112</td>
</tr>
</tbody>
</table>

- Students will have to take the 9 credits listed above, and then take 33 more credits for the major. Two (2) of the courses will be required research courses. Academic preparation for those 2 courses should be at the high school algebra level, or the NCMC MATH 112 or 120 level;
- The following course may be taken at NCMC and will count toward the major course list:

| SOC 3200 | PSY 290 |

- Criminal justice majors must complete a minor for graduation. Please check with advisors listed below for further information about choosing a minor, and about having more courses that you can take at your community college. Check on the WMU TCE to make sure that you are taking transferable courses.

General education requirements and other notes:

- Please see the [general education program transfer guide](#);
All students graduating from the College of Arts & Sciences must meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language, or passing WMU’s proficiency by exam. Please contact the College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions. Neither the MACRAO Agreement nor the MTA satisfy the world language requirement.

- If the student’s first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the student was required to take the TOEFL test for admission, and can be verified through the WMU departments of Spanish or World Language and Literatures.

The College of Arts & Sciences requires a critical thinking course, to be chosen from Proficiency 4c. See the general education guide cited above. MACRAO or the MTA will cover this requirement;

The College of Arts & Sciences recommends that you apply to WMU at least nine months prior to your anticipated start date;

For specific information about general education questions please contact the College of Arts & Sciences (A & S) department, listed below;
