Western Michigan University Psychology Curriculum Guide

Pre - psychology requirements:

- There are 2 options for majoring in psychology: the general psychology major and the behavioral science major. Information about these two majors can be found at the psychology department website;
- Students pursuing either psychology major are admitted to WMU under the pre-psychology designation. To **officially declare the behavioral science major**, each course listed below must be completed with a “B” (3.0) or better;
- To officially declare the **general psychology** major, each course below **must be completed** with a “C” (2.0) or better.

The following courses are required for both psychology majors:

WMU courses

PSY 1000
PSY 1400
PSY 1401
PSY 1600
PSY 3000

Harper courses

PSY 101
No equivalent *
No equivalent *
PSY 216
No equivalent**

*Students may either complete these courses at another college, or plan to take them in the first semester at WMU. **Students should plan to take this their second semester at WMU.

General education requirements:

- For information about [General Education requirements](#) at WMU please use this website.
- One of the general education requirements is a math requirement. We recommend statistics, because much of the interpretation of psychological research rests on knowledge in statistics;
- All students graduating from the College of Arts & Sciences must meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language, or passing WMU’s proficiency by exam. Please contact the

College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions.

- If the student's first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the student was required to take the TOEFL test for admission, and can be verified through the WMU departments of Spanish or World Languages and Literatures.
- A & S requires a critical thinking course, to be chosen from Proficiency 4c. See the general education transfer guide cited above;
- You may email the WMU advisors in the College of Arts & Sciences for further clarification about general education requirements (see address below).

Important notes:

- Depending on your major track, you will need 3-5 **approved** psychology electives. PSY 210, 217, 218, 220, 225, 228, 230, 235, and 245 are approved electives for both psychology majors, for Harper students;
- Pre-psychology requirements changed after the Fall 2011 catalog. If you started your major prior to that date, please contact the psychology advisor to learn what your options are;
- A minimum of 9 credit hours must be taken toward the major from the WMU Psychology department;
- For more specific information about the psychology majors, or to declare your major, please contact psychology advising below.
