

WESTERN MICHIGAN UNIVERSITY

Monroe County Community College

Fall 2019

Western Michigan University Aviation Curriculum Guide

Pre aviation curriculum requirements:

- The aviation program has 3 different majors:
 - Flight Science (pilot training);
 - Technical Operations;
 - Management and Operations (management and technical support);
- The Flight Science major has several requirements for access to flight courses:
 - A Chief Flight Instructor-approved application for each ground school and flight lab;
 - An FAA 2nd class medical (1st class is recommended);
 - Enrollment in flight theory courses is subject to a minimum grade point average of 3.0 for community college students and transfers from other 4 year colleges and/or universities and minimum ACT Math score 20 or minimum SAT Math score 520 or math placement of MATH 1110 or higher at WMU;
 - Availability of aircraft and instructors.

The following courses are required of all 3 majors and may be taken at Monroe:

WMU courses

MCCC courses

Note: Only do two courses from the General Education Areas I, II, III, IV at Monroe. Two courses must be taken at the 3000+ level at WMU. See the [general education program transfer guide](#)

COM 1700

SPCH 155

STAT 2160

MATH 162

MATH 2000

MATH 171

PHYS 1070 & 1080

PHY 151 & 152

IEE 1020

ENGL 101 or 151 or 152 or 155

Gen ED Area VIII

HPE 150

Required for Flight Science majors only:

ECON 2010

ECON 252

GEOG 1050

GEOG 151

PSY 1000

PSYCH 151

Required for Management and Operations majors only:

CIS 1020	CIS 130
GEOG 1050	GEOG 151
ECON 2010	ECON 252
ECON 2020	ECON 251
ACTY 2100	ACCTG 151
ACTY 2110	ACCTG 152
MKTG 2500	MCOM 201
BUS 1750	BUSAD 151
PSY 1000	PSYCH 151

Required for Technical Operations major only:

BUS 1750	BUSAD 151
----------	-----------

Important notes:

- Satisfactory completion of all CFR Part 147 requirements in the Technical major prepares students to take the Federal Aviation Administration (FAA) Airframe and Powerplant written and practical exams;
- Flight Science majors are strongly encouraged to obtain the FAA First Class Medical Certificate before committing to this program. An FAA Second Class Medical Certificate is a prerequisite for the first flight course;
- All Flight Science students are required to subject themselves to the college-approved drug testing procedure before being allowed to participate in any flight activity in University aircraft;
- Graduates of the Flight Science major earn their FAA Commercial Pilot Certificate with Instrument and Multi-engine Land ratings;
- For information on airplanes, hangars, engines and other technical items, please visit the WMU College of Aviation website;
- For program information, please contact the advising office indicated below.
