

**Kellogg Community College**

**2021/22**

## **Western Michigan University Chemistry Curriculum Guide**

**The WMU Department of Chemistry offers a choice of five majors:**

- **Chemistry major** - this 35-credit hour major in the College of Arts and Sciences is designed for students interested in graduate studies in chemistry. This major also suits students interested in teaching chemistry at the middle/high school level after completion of a Master of Arts in Teaching: Secondary Education.
- **Chemistry major ACS Certified** - this 42-credit hour major is certified by the American Chemical Society and is for students planning to enter the chemical industry, though it may be taken by students planning on graduate school study of chemistry.
- **Biochemistry** - this 36-credit hour major is recommended for students interested in careers in health sciences (medicine, dentistry, nutrition, pharmacology, etc.) or a graduate career in biochemistry or molecular biology.
- **Business-oriented chemistry major** - this 37-credit hour major is available to provide the chemical understanding needed if you are preparing for a career in the chemical industry, outside the laboratory. A minor will be chosen in the Haworth College of Business, and students are prepared to enter areas of management, sales, and some aspects of government service.
- **Geochemistry major** - this 68-credit major is designed for students interested in the fields of geochemistry or environmental chemistry and is advised in the department of Geological and Environmental Sciences.

### **Important Information:**

- You must meet one of the following math requirements: **MATH ACT** score of 27 or higher or **MATH SAT** score of 640 or successful completion of **MATH 1110** (MATH 119 or 125 at KCC) with a grade of a "C" or higher or score 61% on the ALEKS math placement exam. More information about the ALEKS math placement can be found at <https://wmich.edu/math/placement>.
- All chemistry majors must meet with the College of Arts and Sciences chemistry advisor about major or minor, WES, and degree requirements. You must make an advising appointment to declare your major or minor.
- Chemistry majors must complete a minor (except Geochemistry). Business-oriented chemistry majors will be required to complete a minor in General Business, Management, or Marketing in the Haworth College of Business (HCoB).
- Chemistry majors must complete their last 14 credit hours in the department of Chemistry at WMU.

- Chemistry minors must complete at least 8 credits at WMU.

**Courses that can be taken at Kellogg:**

<b>WMU courses</b>	<b>Kellogg courses</b>
CHEM 1100 1110	CHEM 110
CHEM 1120 1130	CHEM 111
CHEM 3750 3760	CHEM 201 (elective for Geochem majors)
CHEM 3770 3780	CHEM 202 (elective for Geochem majors)
MATH 1220	MATH 141
MATH 1230	MATH 142
MATH 2720	MATH 241 (elective for Geochem majors)
PHYS 2050 2060	PHYS 221 (elective for Geochem majors)
PHYS 2070 2080	PHYS 222 (elective for Geochem majors)

**Business-oriented majors may take these courses:**

BUS 1750	BUAD 101
MGMT 2500	BUAD 274
MKTG 2500	BUAD 251
ACTY 2100	ACCO 101

**Biochemistry majors may take these additional courses:**

BIOS 1600	BIOL 109
BIOS 1610	BIOL 110

**Geochemistry majors may take these courses:**

**\*\*\*Very important note:** Geochemistry majors only need the following Chemistry courses: **CHEM 110, 111, CHEM 2250|2260** (not available at KCC), and 9 hours of **upper level Chemistry** course-work WMU. You will also need 11 credits of **Math and General Science** (see below).

**Math and General Science or Chemistry electives:**

CHEM 3750 3760	CHEM 201
CHEM 3770 3780	CHEM 202
BIOS 2320	BIOL 205
MATH 2720	MATH 241
MATH 3740	MATH 242
PHYS 2050 2060	PHYS 221
PHYS 2070 2080	PHYS 222

**General education requirements:**

- Please see the [WMU Essential Studies \(WES\) transfer guide](#) for requirements for all students.
- All students graduating from the College of Arts & Sciences must meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language or passing WMU's proficiency by exam. Please contact the College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions. Neither the MACRAO Agreement nor the MTA satisfy the world language requirement.

- If the student's first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the student was required to take the TOEFL test for admission and can be verified through the WMU departments of Spanish or World Language and Literatures.

**Contact information:**

**College of Arts and Sciences Chemistry advisors:**

Sean Williams
