Western Michigan University Psychology Curriculum Guide

- ❖ Information about this major can be found at the WMU psychology department website: <https://wmich.edu/psychology/advising/undergraduate/requirements>

The following introductory core is required for major:

<u>WMU courses</u>	<u>KCC courses</u>
PSY 1000	PSY 10100
PSY 1400	No equivalent*
PSY 3000	No equivalent**

*Students may either complete this course at another college, or plan to take it in the first semester at WMU. ** Students should plan to take this their second semester at WMU.

General education requirements:

- ❖ Please refer to the [WMU Essential Studies \(WES\) transfer guide](#) that lists courses meeting WES requirements at WMU that may be taken at Kirtland.
- ❖ One of the WES requirements is a math requirement. We recommend statistics, because much of the interpretation of psychological research rests on knowledge in statistics.
- ❖ All students graduating from the College of Arts & Sciences must complete the College of Arts and Sciences Essentials (CASE). This includes world language proficiency (detailed in next bullet point), ENGL 1050/1060 sequence, and by completing the baccalaureate writing requirement.
- ❖ All students graduating from the College of Arts & Sciences must meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language or passing WMU's proficiency by exam. Please contact the College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions. Neither the MACRAO Agreement nor the Michigan Transfer Agreement satisfy the world language requirement.
 - If the student's first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the

- student was required to take the TOEFL test for admission and can be verified through the WMU departments of Spanish or World Languages and Literatures.
- ❖ You may email the WMU advisors in the College of Arts & Sciences for further clarification about **WES or CASE**.

Important notes:

- ❖ Depending on your major track, you will need 3-5 **approved** psychology electives. The following KCC courses are approved electives for majors: PSY 20200 and 24000.
- ❖ Pre-psychology requirements changed after the Fall 2011 catalog. If you started your major prior to that date, please contact the psychology advisor to discuss your options.
- ❖ A minimum of 9 credit hours must be taken toward the major from the WMU Psychology department.
- ❖ For more specific information about the psychology major, or to declare your major, please contact psychology advising below.
