Western Michigan University Public Health Curriculum Guide

Western Essential Studies (WES) requirements:

- Students must fulfill the **Western Essential Studies (WES)** requirements for graduation from WMU. Please see the [WES transfer guide](#). Your community college advisor should be able to help you with this information.
- Please note, in the list below, that some of the required support courses, signified by * (required cognates for all students in the public health program) and those signified by # (can count toward WMU required 18-hour public health emphasis area) will also satisfy some of the WES requirements.
- SOCY 292 meets WMU WES Diversity & Inclusion requirement.
- BIOL 120/121 is a recommended public health emphasis area course as it also meets WMU WES Planetary and Sustainability requirement.
