Open Enrollment Checklist

- Review your current benefits elections, and think about how your needs may be different next year.
  - Review your current benefit elections by logging in to GOWMU, choose Employee Self-Service, then Benefits Details.
  - To find your 2022 plan information and forms, visit w mich.edu/hr/openenrollment, and select your Employee Group.

- Read this Benefits Enrollment Guide to learn what's new and changing for 2022.

- Visit the 2021 Benefits-Wellness Virtual Expo online, Nov. 1-19, at w mich.edu/hr/benefits-expo.

- Complete a Health Insurance Enrollment and Change Form to change health plans or to add, drop or change coverage for dependents. To add a designated eligible individual to the health plan, complete the designated eligible individual enrollment form. Gather the supporting documentation you'll need to submit with it, as noted on the form.

- Enroll in a health care FSA and/or dependent care FSA for 2022 by completing and submitting an HSA Bank FSA Enrollment form.

- Update your address and life insurance beneficiaries on Employee Self-Service > Benefits Details at GOWMU. Update your 403(b) and 457(b) plan beneficiaries at TIAA.

- Complete and submit enrollment and change forms—along with any required supporting documentation—to Human Resources by mail, fax or email by Friday, Nov. 19.

For additional information, contact Human Resources.

If you don’t enroll

- You won’t be able to contribute pretax dollars to a health care or dependent care flexible spending account (FSA).
- You and your covered dependents will have the same medical benefits you had in 2021.
- If you waived health plan coverage in 2021, you will not have coverage in 2022.
- Unless you experience a qualifying life event (marriage, divorce, adding to your family, etc.), you will need to wait until the next Open Enrollment period to make changes to your benefits that take effect January 2023.
Open Enrollment is Nov. 1-19

Despite so much changing around us, there’s one constant you and your family can depend on: your WMU benefits.

Open Enrollment is your once-a-year opportunity to make changes to your benefits. Outside of experiencing a qualifying life event, like getting married or expanding your family, it’s the only time you can add or drop coverage for yourself or a dependent.

Please verify that the address we have for you is current on Employee Self-Service at GOWMU. Visit TIAA to update your 403(b) and 457(b) plan beneficiaries.

If you make no changes to your current benefit elections, they’ll carry over to 2022, with one exception: To make pretax contributions to a health care flexible spending account (FSA) or a dependent care FSA in 2022, you must enroll.

Your elections take effect Jan. 1, 2022.

Don’t Miss the Benefits-Wellness Expo

The Benefits-Wellness Expo is virtual for 2021—don’t miss it! You’ll get information in a variety of formats, including live and on-demand informational and fitness webinars, video clips, Chat with a Pro sessions with plan administrators, and prize drawings. Visit the Expo online, Nov. 1-19, at wmich.edu/hr/benefits-expo.
What’s New for 2022

Your plan options and coverage are changing for 2022.

Flexible spending account (FSA) changes

• **New Administrator:** HSA Bank will be the new FSA administrator beginning Jan. 1, 2022. HSA Bank is a top-rated FSA administrator with over 20 years' experience and is based in Wisconsin. This change is expected to provide better communication, technology and resources, and an overall positive customer service experience. This administrator change will apply to health care and dependent care FSAs. As a reminder, FSA elections must be renewed each year during Open Enrollment.
  - For claims incurred in plan year 2021, submit claims for reimbursement to BASIC through March 31, 2022. Any unused funds from plan year 2021 will be transferred to HSA Bank in April 2022.
• **New debit card:** WMU is pleased to announce that a debit card will be available beginning Jan. 1, 2022. If you enroll in a health care and/or dependent care FSA for 2022, a debit card will be sent to you by HSA Bank.
• **FSA carryover:** Due to COVID relief legislation, the carryover amount will be unlimited for 2021 funds carried into plan year 2022.

PPO health plan changes

There are some medical and prescription drug benefit changes in the Community Blue PPO plan.

• Online visits (telemedicine) will now have a $35 copay.
• Urgent care will now have a $40 copay.
• Specialist visits will now have a $40 copay.
• Erectile dysfunction (ED) drugs capped at six doses per month.

BCBSM is changing their prescription drug plan administrator to OptumRx

Community Blue PPO plan will move to a new pharmacy administrator, OptumRx, effective Jan. 1, 2022, due to a change by BCBSM. You will notice an updated pharmacy section on the online member account at bcbsm.com and the mobile app starting Jan. 1. Additionally, OptumRx will be the new home-delivery pharmacy. If you or your covered dependents currently receive medications through the Express Scripts home-delivery pharmacy, your prescriptions with remaining refills will automatically transfer to OptumRx. Some situations will necessitate seeing your doctor for new prescriptions. Please note that your prescription drug benefits will not change.

New BCBSM ID cards

BCBSM is issuing new ID cards in November to everyone currently enrolled in WMU health plan coverage. The new ID card will list your 2022 deductibles and out-of-pocket maximums, along with the customer service contact information. It will also include new information needed to use your coverage at the pharmacy starting Jan. 1. Please continue to use your current ID card through Dec. 31, and begin using your new 2022 ID card on Jan. 1. Those who change health plans will receive another ID card in December that should be used in 2022, and the initial 2022 ID card should be destroyed.
New programs for specialty or high-cost prescription drugs

If you are on the WMU health plan and you or a covered family member takes a specialty or high-cost prescription drug, WMU is implementing two new programs (PillarRx copay assistance and AllianceRx exclusive pharmacy network), which are designed to save you money without changing the drug prescribed. If you are affected by this, you will receive more information from BCBSM and BCN.

Payroll contributions

Payroll contributions will be adjusted. View your 2022 health plan payroll contributions.

New Livongo Diabetes Program with BCBSM and BCN

WMU is pleased to add a diabetes management program offered by BCBSM and BCN and powered by Livongo. Livongo makes managing diabetes easier by removing barriers to diabetes management. Livongo offers advanced blood glucose meters, personalized coaching and support (by phone, text message or through the Livongo mobile app), and unlimited free supplies, and offers a personalized experience. Livongo is 100% covered by WMU, and you will receive a welcome kit, onboarding information and supplies when you sign up.
Benefits That Support Your Evolving Needs

No matter what life throws at you, your WMU benefits are designed to keep you and your family healthy and to sustain you when you’re not. Take a look at the programs and incentives that support your physical, financial and emotional health, including fully covered preventive care (annual checkups, immunizations, tests and screenings) and a tax-free way to save on out-of-pocket health and dependent care expenses.

Western Wellness

Your well-being matters—to you, your family and to WMU! That’s why we created Western Wellness, a consortium of services and resources to help you maintain and improve your health. Western Wellness includes free classes and challenges offered by Holtyn & Associates, free membership at the Student Recreation Center with classes and personal training, and discounted membership at West Hills Athletic Club with classes and personal training. You will pay tax on taxable income value.

If better health isn’t reward enough, when you participate in the Western Wellness program, you’re eligible for the wellness incentive—a reduction in your health plan contributions ($240 for 2022). Here’s how it works:

To be eligible for the wellness incentive, you need to complete an annual health risk assessment, a biometric screening and a coaching session. If you complete the wellness incentive by the end of 2021, you’ll receive the wellness incentive in 2022. To retain the incentive year after year, you’ll need to complete the program requirements every calendar year.

For details, visit wmic.edu/wellness.
Medical Plan Overview

The Blue Cross Blue Shield of Michigan (BCBSM) Community Blue PPO plan includes prescription drug coverage and preventive care at no additional cost to you. The plan uses a specific network of providers and facilities to offer the highest-quality care at the lowest rates.

Plan highlights

• Provider choice—stay in-network or use an out-of-network provider or facility. And you don’t need a referral to see a specialist.
• You’ll pay more out of pocket if you use an out-of-network provider, and some services may not be covered.
• Includes 24/7/365 virtual care through Blue Cross Online Visits™.
• Sindecuse Health Center is in-network. For some services, you’ll be billed for up to only 50% of the in-network plan deductible. Copays and coinsurance apply.
• WMU Unified Clinics provide services to you and your family. Plan coverage and costs vary by service.
• Nationwide coverage through BCBS PPO networks.
Community Blue PPO

The plan offers set copays for some services, like doctor’s visits and prescriptions. For other services, such as diagnostic tests and hospital stays, you must first meet your annual deductible. Then, the plan will pay 90% of expenses, and you’ll pay 10% coinsurance—up to an annual cap. If you contribute pretax dollars to a health care flexible spending account (FSA), you can use this money to cover eligible out-of-pocket health expenses.

To locate a provider, visit bcbsm.com and select Find a Doctor. For your plan, select Community Blue PPO.

Learn more about the Community Blue PPO plan.

Don’t want to leave home for care?

You don’t have to. The Community Blue PPO plan offers virtual medical and mental health visits to you and your covered dependents through Blue Cross Online Visits. See a certified health professional, 24/7/365—wherever you are—using your smartphone, tablet or computer. If you need medication, the doctor can send a prescription directly to your pharmacy. You’ll pay a $35 copay.

You can get help for conditions including cough, sinus infection, sore throat, bronchitis, fever, diarrhea, pink eye, cold, flu, headache, weight concerns, smoking cessation, depression, anxiety, grief and insomnia.

To get started, visit bcbsmonlinevisits.com, add the app to your smartphone or tablet, or call (844) 606-1608.

* Prior authorization required

For coverage details, review the Community Blue PPO plan Benefits at a Glance on the HR website at [wmich.edu/hr](http://wmich.edu/hr). Choose your Employee Group, then select Benefit Details.
Prescription Drugs

Prescription drug coverage is included with your medical plan. What you pay depends on your plan coverage, the medication type, fill quantity and where you fill the prescription. In addition to your plan’s retail and mail-order pharmacy options, you can also fill your prescriptions at the Sindecuse pharmacy. You’ll receive preferred pricing there when you’re a Community Blue PPO plan member.

Refill maintenance meds by mail, and pay less

Save time—and money—when you fill a 90-day prescription using OptumRx mail-order pharmacy. Depending on the medication, you could pay less than you would if you filled the same prescription at a retail pharmacy. To get started, visit bcbsm.com.

Special circumstances for some drugs

To ensure you’re receiving the most appropriate and cost-effective therapy, certain prescription drugs require prior authorization or step therapy before they’re covered. Step therapy involves trying less expensive options before the brand-name drug will be covered. View the step therapy overview and drug list.

PillarRx copay assistance program

If you are on the WMU health plan and you or a covered family member takes a specialty or high-cost prescription drug, the PillarRx copay assistance program through BCBSM is designed to save you money, without changing the drug prescribed. This program will help you locate and take advantage of manufacturer copay assistance programs that significantly lower out-of-pocket costs for certain expensive medications. If you currently take one or more medications included in the PillarRx Drug List, you will receive introductory information in the mail and then a phone call from PillarRx to enroll you, explain how the program works and explain what to expect at the pharmacy. Once enrolled, PillarRx sends all the information needed for your discount to your pharmacy.

AllianceRx

Some specialty drugs must use our exclusive pharmacy network administered by AllianceRx. Specialty drugs are prescription medications that require special handling, administration or monitoring. BCBSM mail-order service, retail specialty network pharmacies and support programs through AllianceRx Walgreens Prime, an independent company that provides specialty pharmacy services for BCBSM members. For the most up-to-date list, please see the Specialty Drug Program Rx Benefit Member Guide on bcbsm.com, or call the Customer Service phone number on the back of your health plan member ID card.
Pretax Payroll Deduction Amounts

Following are your pretax contributions per pay period for medical and prescription drug coverage. To earn or maintain the wellness incentive rate reduction, you must complete the Western Wellness program requirements.

24/7 Support When You Need It

That’s what the Employee Assistance Program is all about. HelpNet’s licensed counselors offer you and members of your household no-cost, confidential, short-term counseling for a range of issues. They can help with marital and family concerns, addiction, grief and loss, relationships, stress, anxiety, legal and financial issues, and depression. They can also provide referrals to child care and adult care providers.

Just call (800) 969-6162, or visit the EAP website > Work Life Login (Username: cowboy).
Flexible Spending Accounts

Your paycheck goes further when you set aside pretax dollars in a health care flexible spending account (FSA) or a dependent care FSA. That’s because you don’t pay federal or state income taxes on your contributions. HSA Bank is the administrator for both FSAs beginning Jan. 1, 2022.

When you enroll in a health care and/or dependent care FSA for 2022, you will receive a debit card from HSA Bank. An advantage of an FSA debit card is that it allows you to access FSA funds directly when paying for eligible expenses without paying from personal funds and submitting a claim for reimbursement. Your debit card will be automatically activated the first time you use it. You may also submit claims through the HSA Bank member website, HSA Bank mobile app, and via mail or fax.

<table>
<thead>
<tr>
<th>Health care FSA</th>
<th>Dependent care FSA</th>
</tr>
</thead>
<tbody>
<tr>
<td>You can contribute up to $2,750 for 2022 and be reimbursed for IRS-approved health care expenses not covered by your medical, dental or vision plan. The full amount will be available for you to use on Jan. 1, 2022. For 2022, participants in the health care FSA will be allowed to carry over $550 of unused funds into 2023.</td>
<td>You can contribute up to $5,000 a year to cover eligible day care for children and qualified elders (or $2,500 if married and filing a separate tax return), so that you and your spouse can work. Just like a bank account, you can use only what is currently available in your account. Your annual contribution is evenly divided and deposited into your FSA each pay period. You can use your debit card to pay for services, or you can submit claims to reimburse yourself for dependent care expenses that you pay out of pocket. Be sure to budget carefully for 2022; you’ll forfeit any contributions you don’t spend by Dec. 31, 2022. There will not be dependent care FSA carryover from 2022 into 2023.</td>
</tr>
</tbody>
</table>

To contribute to an FSA in 2022, complete an [HSA Bank FSA enrollment form](#), and submit it by Nov. 19. FSA elections do not carry over from one year to the next. Beginning Jan. 1, you can access your FSA account at [hsabank.com](http://hsabank.com) or through the HSA Bank mobile app.

**Quick tips for submitting claims:**

- For claims incurred in plan year 2021, submit claims for reimbursement to BASIC through March 31, 2022.
- Any unused funds from plan year 2021 will be transferred to HSA Bank in April 2022.
- For any claims incurred after Jan. 1, 2022, submit claims to HSA Bank for reimbursement.
- Additional information on submitting claims can be found in the HSA Bank FSA Guide.
The HR Service Center hours are Monday, Tuesday, Thursday and Friday, 8 a.m. to 5 p.m. and Wednesday, 9 a.m. to 5 p.m.
