• Malia reported on the last meeting with Jan Van Der Kley and Warren Hills:
  o Warren reported there would be a notice coming out about performance reviews.
  o Both were personally invited to our Spring Award Luncheon.
  o Warren reported that FMLA workshops are being added to the schedule. There is still a problem of staff signing up but then not attending.
• Names of APA volunteers were submitted to the Office of the Provost who is launching a new professional development series in Fall 2020.
• Malia reminded us of the Engagement Town Hall that will be held March 26 from 8-10.
• She discussed the agenda we have for the next meeting with Jan and Warren (Friday, March 13): COVID-19, Performance Management Process, Update on SRM.
• She led a discussion on the options for producing a compensation letter. It was decided to put it on hold at this time and it was also noted meeting personally with the President may be more important than a letter.

VICE-PRESIDENT’S REPORT
• Laura Large thanked Margaret von Steinen for her work on the general meeting. More than 60 attended it.
• She also noted that nine people attended the Photography Lunch and Learn.

TREASURER’S REPORT
• Faith Wicklund reported on the February treasurer’s report. The only activity was the membership dues from payroll deduction. The ending balance is $7,371.97. Treasurer’s report approved.
• Malia Roberts discussed having a budget set up for next year. A budget will be proposed at an upcoming meeting.

CORRESPONDING SECRETARY’S REPORT
• Janice Quakenbush reported that APA thank-you cards have been sent to the speakers for the general meeting. She noted that she is almost out of cards. She will check to see if Margaret von Steinen has any more. $200 was approved for printing new cards.
RECORDING SECRETARY’S REPORT

- Teri Schrimpf discussed the process for approving the minutes via Teams. It was decided that the minutes will be posted on Teams and an email will be sent to all board members reminding them to review the minutes. A thumbs up on the original minutes means you have read and approve. If no changes are made then that is the final approval. If changes are made, a new version will be posted and then final approval needs to be made on the revised version. 13 thumbs up are required to approve the minutes. A review of the bylaws revealed this process is within guidelines.
