Seeking Applicants for:

Zoning Board of Appeals

Imagine supporting the work of Imagine Kalamazoo 2025 and being a part of the City’s growth and development. The Zoning Board of Appeals plays a role in this process of implementing the Master Plan.

Land uses, lot size, density, height, and other development regulations are organized in the Zoning Ordinance. However, this mechanism for guiding land use decision making doesn’t always fit the scope or scale of projects. The Zoning Board of Appeals is the relief valve where circumstances warrant deviation from the written regulations. The Zoning Board of Appeals evaluates dimensional and use variances. This Board also decides on interpretations, appeals of administrative decisions and temporary uses.

Currently there are vacancies on the Zoning Board of Appeals.

Qualifications:
- Must be 18 years of age
- Must live within the City of Kalamazoo limits
- Not currently serving on another Kalamazoo Board or Commission
- Must have a passion to see Kalamazoo grow and prosper
