NOTE: If considering the Accelerated Graduate Degree Program (AGDP) into the MPA, 5000 and 6000 level courses can only be applied to both degrees if you have been accepted into the AGDP program, you have senior standing, and we have submitted a form to the Registrar's Office showing which courses count both ways. The Registrar's Office will directly register you for any of the 12 credit hours that can be counted toward the BSPNA and MPA.
