

Application for Graduate Assistantships/Associateship

1. If you are applying simultaneously for admission to a graduate program in political science (MA, MIDA, PhD), the letters of reference, CV and statement you submit through the online application system will be used in consideration of funding if admitted. The only additional document to be submitted directly to the department is this application.
2. If you are currently a graduate student in one of our programs, have three of your current or recent professors fill out reference forms or write letters of recommendation for you. Students applying for funding renewal for the third time need only one letter from a professor. See "Funding Renewal Process for Political Science Graduate Appointees" in the graduate manual for more information.

Application for admission must be submitted to the Office of Admissions. Applications are available online for students.

This application and accompanying materials are due **Feb. 1** for assistantships/associateships to be granted in the following academic year. Awards will be announced by early April.

Completed Applications (Page 2 of this document) can be emailed to Christina Oberheim at christina.oberheim@wmich.edu by **Feb. 1**.

A current CV must accompany this application. If you are simultaneously applying for admission, you have already submitted a CV. If you are currently a political science graduate student, you must provide a current, printed CV to the graduate coordinator along with this application and your statement.

NOTE: Students must reapply for funding each year of eligibility. Determine that you meet eligibility requirement for funding by reviewing criteria at www.wmich.edu/politics/.
