

WMU Residence Hall Furniture

What comes in a typical room?

- Bed per person (see options below)
 - Safety rails are provided for any bunked or lofted beds
- 2 desks
- 2 desk chairs
- Dresser (type varies by hall – see below)
- Recycling bin
- Suites: bathroom trash can, shower curtain

Furniture sizes: We are unable to provide dimensions of all furniture items in our housing system. The most common question we get is about lofts, so we can share the following:

- Lofts can be set to any height between 18 inches from the floor to greater than 5 feet in the adjustable track
- Standard futons that are 80 inches or less in width fit under the lofts
