Dear RN-BSN Applicant:

We are pleased that you are considering the RN-BSN program at the WMU Bronson School of Nursing. This program is highly respected and is fully accredited through the Commission on Collegiate Nursing Education. A minimum of a 3.0 GPA, out of 4.0, is required at the time of admission.\* Attached you will find the application to the RN-BSN program.

The RN-BSN Program is designed to start in the fall semester, however, it is possible to begin in an off semester/session (spring or summer). Please speak with the RN-BSN advisor regarding your options. There are a limited number of spots available and qualified applicants will be accepted on a first-come, first-serve basis. Please return the completed form no later than the dates listed below. The form should be returned to [nurs-rn-bsn-students@wmich.edu](mailto:nurs-rn-bsn-students@wmich.edu).

- Fall semester entry - August 15
- Spring semester entry - January 1
- Summer I session entry - May 1
- Summer II session entry - June 15

We also recommended that you apply to Western Michigan University indicating RN-BSN as your major prior to applying to the RN-BSN program. Please go to <https://wmich.edu/apply> to complete your admission application.

Before submitting your application, please review the prerequisites listed on our website ([www.wmich.edu/nursing/academics/undergrad/rn-bsn](http://www.wmich.edu/nursing/academics/undergrad/rn-bsn)). To be considered for admission, you must have completed the following courses, or their equivalents, no later than the end of the semester/session prior to beginning the program: ENG 1050, MATH 1100, FCS 2250 or CIS 1020. All prerequisites must be completed before beginning the RN-BSN program. If you have not completed all pre-requisites, please contact the RN-BSN academic advisor to discuss your options.

If you are currently attending a school other than WMU, and you will be completing any of the prerequisite courses at that school, please forward the grades to our office no later than the end of the semester/session you are applying. If you have questions, you may contact the nursing advisor by calling (269) 387-8150.

One of our requirements for students admitted to the RN-BSN program is a completed criminal background check. This must be completed prior to the start of the semester/session you are applying. More information will be provided in your acceptance letter. We look forward to helping you achieve your educational goals.

Sincerely,
