Flexible Spending Accounts (FSA) are part of Section 125, established by the IRS. Section 125 allows employees to set aside money for future medical and child care costs on a pre-tax basis.

A Medical FSA can be used to cover:
- Insurance deductibles
- Co-payments and coinsurance
- Prescriptions
- Dental or vision expenses

SAVINGS

You save between 15%-40% by not having to pay federal, most state and local taxes, as well as Social Security and Medicare taxes for every dollar elected for an FSA.

The savings really add up.

Below is an example of how a current participant calculated the amount they elected for medical FSA. Be sure to base YOUR estimate on known expenses.

The full amount of your medical election is available for reimbursement upon the first day of your plan year.

When you incur an eligible out-of-pocket expense, submit your itemized documentation to BASIC and receive a tax free reimbursement.

IRS regulations govern the eligibility of claims which include those that are not fully covered by a health care plan and are prescribed by a physician or other licensed professional, primarily for preventing, treating or mitigating a physical defect or illness. The IRS does not allow reimbursement for the following: cosmetic surgery, insurance premiums, teeth bleaching / whitening, nutritional supplements/vitamins, marriage counseling, debt counseling, eyeglass sun clips and prepayment of services. For more details, refer to IRS Publication No. 502.

**DEPENDENT CARE FSA**

A single parent or a married couple filing jointly can elect up to $5,000 per family, while a married person filing separately can elect up to $2,500 per person, but equal $5,000 for the family. Just as with Medical FSA, you save between 15%–40% by not having to pay federal, most state and local taxes, as well as Social Security and Medicare taxes for every dollar elected for Dependent Care FSA.

Unlike a Medical FSA, Dependent Care FSA is a pay-as-you-go account. Funds are not advanced by your employer.

**DEPENDENT ELIGIBILITY**

- You and your spouse must be employed or actively seeking employment or attending school full time.
- Child must be a dependent under 13 years of age and be in your custodial care more than 50% of the calendar year. Once your child turns 13 during the plan year, expenses are no longer eligible for reimbursement.
- A spouse or dependent who is incapable of self-care and regularly spends at least eight hours per day in your home (i.e. an invalid parent).

**SERVICE REQUIREMENTS**

- Provider may not be a minor child or dependent for income tax purposes (i.e. an older child).
- Service provider must claim payments as income and comply with state regulations.
- Services must be for the physical care of the child, not for education, meals, etc.
- Overnight camps are not eligible for reimbursement.
- Expenses paid for Pre-K are eligible but kindergarten and higher is not.

If you qualify for the Child Care Credit, the same IRS rules apply. If you have 2 or more children and spend more than $5,000 for child care, you may have additional tax credits available to you. For more details, refer to IRS Publication No. 503
**ELIGIBILITY**

Flex Benefits end upon termination of employment and/or participation.

Services must be rendered during your current period of coverage. For new employees entering the plan during the Plan Year, services must be rendered after your eligibility or election date, whichever is later.

A family member does not have to be covered on the WMU health plan for eligibility for FSA expenses.

**CHANGES TO YOUR CONTRIBUTIONS**

You may change your annual election if you have a qualifying life event (marriage, birth, adoption, death or divorce). The FSA election change must correlate with the event and be made with 31 days of the event. For example, if the event is a birth you may increase your election, not decrease it.

Dependent Care FSA qualifying life events may include changes in child care or dependent care (e.g., day care of babysitters).

**END OF YEAR BALANCE**

You have until the end of the third month after the end of the Plan Year, or March 31, in which to submit a claim for reimbursement for expenses incurred during the previous plan year. However, if you have ceased to be eligible as a Participant, you will only have three months after the date you ceased to be eligible in which to submit claims for reimbursement of expenses incurred prior to the date you ceased to be eligible.

Up to $500 of your unused Medical Reimbursement Account funds will carry over into the new Plan (calendar) Year for reimbursement of services incurred as of the first day of the new Plan Year. Carryover funds are not available for reimbursement in the new Plan Year until the fifteenth of the month following the end of the run-out period (April 15).

Dependent Care Reimbursement Account funds are not eligible for carry over to the next Plan (calendar) Year.

**PLAN RULES**

Your pre-tax contribution through your BASIC Flex plan could reduce your future Social Security benefits; however, studies show it is usually less than 1%.

According to the IRS, money left in your account may become the property of your employer and cannot be returned to you. Most people use of all of their funds by good planning, such as anticipating cost of medical and prescription drug copays and deductibles. Rarely is there ever more than 5% left in the account, and the tax savings more than outweigh this amount.

If you have questions at anytime call 800-372-3539 and speak to a BASIC Flex Account Manager.

I request that my periodic paychecks for the plan year be reduced on a pro rata pre-tax basis by the sum of my medical reimbursement, dependent care and premium contributions to the plan, with such amount to be allocated among the benefits I selected above. I understand this election form cannot be revoked or changed during the plan year unless there is a qualified change in status as defined in the Summary Plan Description (SPD). I certify that I will only claim reimbursement for eligible expenses for myself and/or qualified dependents as defined in the SPD. I further certify that these expenses will not be reimbursed under any other benefit plan. I understand any unused dollars remaining in my Dependent Care Reimbursement account(s) at the end of the plan year will be forfeited. I further understand that any unused funds up to $500 remaining in my Medical Reimbursement Account will be rolled over to the next calendar year and any unused funds in excess of $500 will be forfeited. I have examined this agreement and to the best of my knowledge, it is true, correct and complete.
