For anyone interested in School Social Work; the first course in this sequence begins in Summer II with SWRK 6200, followed by SWRK 6210 in the fall, and SWRK 6220 in the spring. This will satisfy 9 credits of electives.

Except where curriculum demands (like School Social Work, and the Trauma Specialization) electives can be taken at the student's discretion. They are not required in the semester/session outlined above.
