For anyone interested in School Social Work; the first course in this sequence begins in Summer II with SWRK 6200, followed by SWRK 6210 in the fall, and SWRK 6220 in the spring. This can be done in year one, two or three and will satisfy 9 credits of electives.

Except where curriculum demands (like School Social Work, and the Trauma Specialization) electives can be taken at the student's discretion. They are not required in the semester/session outlined above.
