Application Procedure:

1. Complete this application, along with a written letter describing the nature of the engagement opportunity (activity) or scholarship need, as well as its potential benefit to you.
2. **For events/activities only, applications must be received at least one month in advance of the activity to be considered.**
3. Submit the application and letter to the Department chair/director, or to their assistant.
4. Awards are granted on a first-come, first-served basis until funds are depleted.
5. After its review, the Department will forward the application to the College of Fine Arts.
6. Every attempt will be made to notify you regarding any funding awarded through the contact information above in a timely manner, but *it is the applicant's ultimate responsibility to ensure that funding has been awarded prior to incurring costs.*
7. Inform the Department if you decide to cancel the activity or scholarship need. We will reallocate funding. Future requests for the same activity or scholarship will require a new application.

Event/Scholarship Guidelines:

1. Trips, events, or projects, for which funding is being requested, must directly relate to and enhance your primary field of study. CFA scholarships should be discussed with the Department chair/director.
2. You must be a full-time enrolled student at the time of application.
3. The Department chair/director has sole discretion regarding the awarding and contingencies for funding based on this application, supporting documents, meetings with you, and/or consultations with faculty.
4. The Department or College of Fine Arts may request a written follow-up report on the results of the activity/scholarship at any time, to be shared with any University officials who provided support.

Funding and Award Guidelines

1. You are encouraged to seek external sources of funding in addition to this application, but **you may NOT make direct solicitations to the Provost or President.**
2. Activities: your award can only be used for expenses that directly support your participation in the activity. Scholarships: you must adhere to their respective eligibility criteria, i.e., GPA, area of study, etc. The Department or College of Fine Arts reserves the right to dispute expenses (for activities) which it does not deem necessary.
3. Per university policy, your award will be reported to Financial Aid and applied to your Financial Aid package. **If you have any balance on your account, this award will be applied first towards that balance, and then the remainder will pay out to you.**
4. The award will be reversed if you do not participate in the activity. Proof of attendance, such as registration airfare, lodging, etc., will need to be provided to your department/school within 2 weeks of the event. Failure to provide this information will result in reversal of this award.

I have read and agree to the Procedures and Guidelines above.
