REQUIREMENTS FOR RESEARCH INVOLVING HUMAN SUBJECTS

All research conducted at Western Michigan University which involves human subjects is subject to the following requirements, as described in the Policies of Western Michigan University and mandated by federal and state requirements:

Human Subjects

Any research involving contact with human research subjects must be approved in advance by WMU's Human Subjects Institutional Review Board (HSIRB). No research involving human subjects is exempt from review by the HSIRB. HSIRB application materials may be obtained from the Research Compliance Coordinator, 240W Walwood Hall (East Campus), phone (616) 387-8293.

HSIRB approval must be obtained prior to any contact with human subjects; the HSIRB will not review or give approval to any protocols in which contact with human subjects has already occurred.

Additional information on research compliance and application forms are also available online at www.wmich.edu/research.
