

Student Sustainability Grant Allocations Committee

Nomination Form

Nominator's Name:

E-mail:

Please Check One: Faculty Staff Student

Relationship to Nominee:

The Student Sustainability Grant Allocation Committee (SSG-AC) is responsible for judging grant proposals and awarding funds from the Student Sustainability Grant (SSG). The SSG was created to support student research, activities, and initiatives that intend to foster a campus culture of sustainability at Western Michigan University and have the potential to benefit all WMU students. The SSG-AC is made up of eight undergraduate students, one from every academic college (2 seats from Arts & Sciences), and two graduate students.
