Division of Multicultural Affairs

Hello Student!

This directory was compiled at the request of students who were not from the area and were in need of information on certain businesses, goods and services. The guide is updated annually.

The Division of Multicultural Affairs Student Resource Guide is a directory to assist you on where to go for popular services or goods, area churches and places of worship, businesses, organizations, and community services that students frequently utilize. The directory also lists individuals who are willing and able to support your efforts in event planning for student organizations.

Every attempt at accuracy has been made. Our apologies if any listing is incorrect due to an update or change without our knowledge.

Upon receiving and perusing the directory, tell a friend! Any student interested in receiving a copy of the **Student Resource Guide** should call our office at (269) 387-4420.

If you know of any additional resources that could be included in this directory to assist students, please contact Sue Murray at (269) 387-3323 or at sue.murray@wmich.edu.

Additionally, there is a Resource Update form located on our website:

<http://www.wmich.edu/multicultural>.

Once again, we hope this directory helps you, and please contact us if you have any questions or concerns.
