Bronco Signage Process

Fully Assembled – No Tools Process

1. Online Request with Signage Vendor
2. Purchaser works directly with Vendor to approve signage order
3. Purchaser provides procurement information to Vendor to complete order
4. Vendor coordinates with Purchaser and delivers/installs signage directly with Purchaser.

Assembly Required – Tools Needed Process (WMU Skilled Personnel)

1. Online Request with Signage Vendor
2. Purchaser works directly with Vendor to approve signage order
