**Campus:** To find WMU and our building, go to this campus interactive map: [http://www.wmich.edu/maps](http://www.wmich.edu/maps). Select “Kohrman Hall” (not South Kohrman) in “Find address or place.”

**Parking:** Information about parking is at [http://www.wmich.edu/parking/](http://www.wmich.edu/parking/). Permits can be purchased ahead of time online through this site ($5 for day permit). A permit can also be purchased on campus at 2507 W. Michigan Ave, close to Kohrman Hall. Payment at a meter may be made with quarters ($1.50/hr) or by a cell phone through Parkmobile.com. Room 3305 is on the top floor on the north side. It is recommended that you enter Kohrman Hall’s north, west, or east side rather than entering from South Kohrman, as it is easy to get lost from that side.
