Discussion: Changing the name of their program, as well as all their classes. Not a general education course. Pre-rec isn't a class yet (is it a typo or a new class coming in). Missing minor code. Standards are not outcomes, need to add outcomes. Table with assumption to review at the next meeting along with other proposals.

Motion to table: Chris Robinson

Motion 2nd: Francisco Cordero

Committee vote: Unanimous to table

WES Report – the articulation is going to be a potential problem. For transfer credits it's going to be a big issue. Everyone is intended to pass – unless the really don't do well. Will be sending messages with 'make these adjustments'.
