

**DEPARTMENT OF EDUCATION LEADERSHIP, RESEARCH AND TECHNOLOGY
 MASTER OF ARTS
 EVALUATION, MEASUREMENT AND RESEARCH (EMR)**

Participant's _____
Name: (Last name) (First name) (Middle name) WIN

Previous Degrees: (Date, Degree, Institution, Program of Study) **Masters:** _____

Undergraduate: _____

PROGRAM OF STUDY

Credit hours earned at Western Michigan University or elsewhere prior to admission to the specialist or doctoral program are identified with an asterisk (*). Official transcripts showing the completion of credit to be transferred from other institutions must be on file in The Graduate College prior to approval of the program. This program of study can be modified as needed by agreement between advisor and student. The review of this program of study should be revised at least annually. The EMR MA normally requires 36 hours of coursework and a minimum of 24 hours if an existing master's degree is held by the student.

EMR Master's Core

Course Number	Title	Hours	Semester/Year	Grade
