

Community Standards

WESTERN MICHIGAN UNIVERSITY

**Welcome
to the WMU Community**

As Broncos...

- We are part of Kalamazoo as well as our own community
- We take pride!

Taking Pride in our Community

- Practicing being good citizens
- Taking care of one another
- Keeping our community safe
- Maintaining a civil, ethical, and responsible environment to promote everyone's success

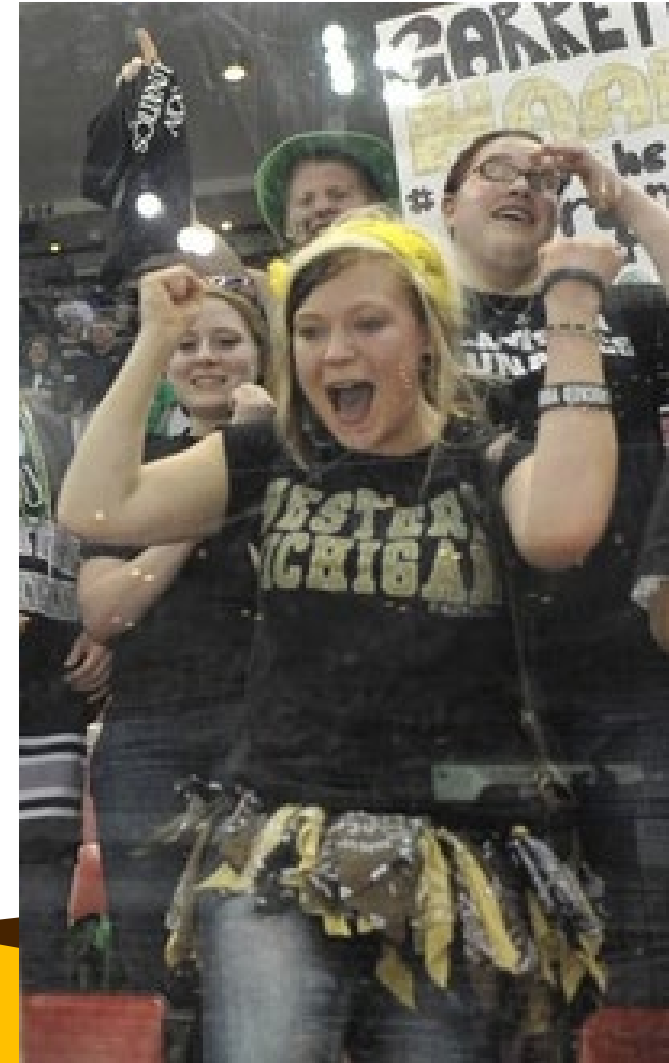

Guidebooks for Good Citizenship

- Student Code
- Community Living Expectations
- Good Bronco citizens understand the responsibilities they have under these guidebooks

If you step off the path of good citizenship

- WMU has an educational conduct process
- The ultimate goal of the conduct process is to get students back on the right track
- Separate and very different from the legal process

Thank You!
