WEIRD SCIENCE
Volleyballs and frisbees should be the only implements flying through the air today at the beach. #Spike!

FINAL CONCERT INVITATIONS
Your invitation writing and mailing should be well under way by now as per the instructions in yesterday’s newsletter. Resident students should have received their supplies during Wednesday night’s bed check. What to do next? We have set up a mail processing center next to the Copy Service table in the first floor hallway at Dalton where commuting students can also get the mailing pieces/parts they need. Put those finished envelopes in the appropriately marked box. Run up our postage bill! Let’s see how many people we can bring in to hear your final performances!

SEMINAR STUDENT DIRECTORY
Proof Copy Now Available
We prepare a directory including your name, home address, phone number (you might want to be sure it’s your cell number), and email address. We send it to you soon after SEMINAR ends. Mr. Bernard has completed the draft, and you can check your entry and make changes as long as you initial them. Residents may do so with Joe at Ackley Hall; commuters with Mr. Bernard at Seminar Headquarters.

BEACH BUM OR CAMPUS BUM . . .
YOU GET TO DECIDE
Classes end at noon. If you decided not to go to Lake Michigan, you may relax and enjoy a free afternoon. Please use the sign out cards faithfully so we know where you are this afternoon.

If you did sign up to go to Lake Michigan: 1 We want you to “check your keys” at the Ackley reception desk before you leave. Your keys will be put in your mail box until you return. 2 Then gather by counselor groups for roll call at 12:45 p.m. in front of Ackley. Commuting students going to the beach should bring their ID badges and check in with Lindsey. 3 When told to do so (and not a moment earlier, thank you very much) you will surrender your badge and climb on board a bus.

Wear your swimsuit under your clothes. At the beach you will all receive a picnic supper (whether you want one or not), and we’re taking plenty of soda and bottled water for your potentially parched palates. Dinner in our regular dining room will be served as usual.

Don’t take cell phones, wallets, etc. If you decide to take personal recreation equipment, remember to bring it back! Do take sun screen, especially if you have not had much sun this summer. We’ll leave the beach for home about 5 p.m. Have a WONderful time! Remember the sad, ugly part: Obviously bad beach weather will cause us to cancel the trip. When this issue went to press, the forecast was “Sunny. Highs in the lower 80s.” Perfect beach weather!

OPEN MIC DEADLINE
It’s time to consider requesting a spot on Tuesday’s Open Mic Night show. You should now have access to one of the handy request forms, and you need to turn them in no later than bed check on Sunday night. Commuting students may obtain forms at Seminar Headquarters and return them there or to any counselor. FYI: Seminar Headquarters will close at 4:30 p.m. on Saturday.

As originally indicated, we do reserve the right to determine if your act is appropriate not only for SEMINAR viewing but for presentation in the Dalton Center Multimedia Room. [No use of water or other substances which could damage the floor or sound equipment.] Acts may not exceed 5 minutes in length, so keep this in mind as you plan your moment in lights.
SATURDAY CLASS ADJUSTMENTS
To Be Repeated In Saturday’s Issue

Commuting Students need to remember that Saturday is a regular class day including these variations.

Brass Choir Students will have a rehearsal at First Baptist Church. Dr. Boerma will let you out of Wind Ensemble at 11:30 a.m. so you can board a bus at Miller Auditorium (with instruments and music), be taken to lunch, and then to First Baptist. If you are not back by 2:10, just go into your theory classes a little late. We will inform your instructors.

Woodwind Choir Students will have their regular 1–2 p.m. rehearsal on the Recital Hall stage in preparation for your 4 p.m. concert there on Sunday.

Concert Choir Singers also have a rehearsal at First Baptist Church. A bus will pick you up at Miller Auditorium at 3:30 p.m. You will be excused from your elective classes early. You will return circa 5:30 p.m.; the cafeteria serves until 7:30 p.m. Our 3:10 and 3:35 p.m. voice lessons will not meet Saturday.

Some String Ensembles will perform on Sunday afternoon’s concert. Each will have some rehearsal time in the Recital Hall on Saturday and/or Sunday. We will let you know which groups and when they rehearse in Saturday’s issue of The Full Score, with additional details in Sunday’s issue.

MORE ENSEMBLE INTRODUCTIONS
Recognizing Emeriti

We are happy to explain some more of our “named” ensembles and classes. These recognize former WMU faculty members whose careers brought distinction to the School of Music.

Robert Whaley Brass Choir
Named in honor of tuba professor Robert Whaley who was a member of the WMU music faculty from 1966 until his retirement in 2001, when he was also the last founding member still performing with the internationally acclaimed Western Brass Quintet.

Robert Humiston Woodwind Choir
Named in honor of oboist Robert Humiston who was a member of the WMU music faculty from 1961 until his retirement in 1999. He was a founding member of the Western Wind Quintet.

Carl Bjerregaard Chamber Winds
This ensemble is named to honor Carl Bjerregaard who directed WMU bands from 1967 until 1976 when he was named Director of Bands at Florida State University. His research in music for smaller wind ensembles makes this naming most appropriate. He is now retired.
