Fall Welcome
Sponsorship Proposal

Western Michigan University
Office of Student Transitions
At the Office of Student Transitions, we empower students to foster adaptive thinking to further drive college success. By closing the bureaucracy loop and implementing agile frameworks, we help students grow confident and get the help they need in all aspects of collegiate life.

We are the equivalent of a consulate in our aid of new students. With years of experience under our staff’s belt, we are dedicated to the betterment of students, organizations, and the community in general.

Why Sponsor Us?

- Brand loyalty can be achieved through in-person exposure to the customer. We can give you multiple opportunities including Bronco Bash and Block Buster Party to set up booths and connect with potential customers.

- Positive image/reputation. Fall Welcome is an event centralized around welcoming and nurturing students from all walks of life. Consequently, sponsoring this event would build companies a level of reputation that is invaluable.

- Mutually beneficial business and interpersonal connections. Fall Welcome happens every year and we have multiple sponsorship opportunities at each event. We believe business transactions, including sponsorships, should be built on trust. As such, we take time and effort researching our prospective sponsors. Discovering our common core values and means through which a symbiotic relationship can work, we are able to be relatable and trustworthy for years of partnership.

- Integrity is a core value to us. We are committed to responsible stewardship and we stand true to our goal of helping students and organizations succeed. In addition, our unwavering staff is dedicated to negotiating helpful conditions our sponsors request in alignment with the values of our office.

- Our attendance information can be proof that there are many international and Transfer students in attendance. This ensues a new business venture for your company.
Data collected from the previous Fall Welcome shows that we have an 8% international student attendance on average.
Transfer students also have an average attendance rate of 8% within Fall Welcome.
The share of the international students in attendance falls into these birth country categories.

- Other: 36.47%
- Korea: 24.71%
- China: 15.29%
- India: 11.18%
- Malaysia: 8.82%
- Indonesia: 3.53%
Means of Sponsorship
