Session Descriptions

All That We Share Students will have an opportunity to engage and learn more about the WMU campus climate and culture through short conversations.

Bronco Express & Accounts Receivable A representative from Bronco Express will explain the financial aid process, discuss financing options, talk about the billing and payment process, and answer your questions.

Browsing Tables This is your chance to learn a little more about some of the many programs and services available to students at WMU. You can even pick up some cool swag!

Campus Safety and Security WMU takes the safety and security of students very seriously. Learn about some of the many programs and services from across campus.

Career and Student Employment Services & WMU Signature Learn about full-time, part-time and internship opportunities on and off campus. This session will explain WMU's web-based employment service – Handshake – and the resources for career planning that are available throughout the academic year. You will also Learn about this student engagement program for students to reflect on their out-of-class learning experiences, to explore and identify a passion that will be reflected on their WMU diploma.

Family Strategies for Supporting Student Success Discuss how you can engage with and support your student as they settle into life at WMU.

Global Engagement & Study Abroad Join the Global Engagement Program! In Year 1: "Global Learning for All," you will take courses with other freshman from around the University to learn about the world, interact with peers abroad and study abroad virtually. Learn about study abroad opportunities and where to begin!

Health Promotion and Education Learn about the wellbeing education, student leadership opportunities, and resources available through the HPE Office. Topics include mental health, violence prevention, sexual health, substance use, and more!

Institutional Equity The Title IX Coordinator will share how to get involved in the University-wide effort to end all forms of sexual misconduct.

Resource Panel You will get a chance to hear from a number of senior administrators from across campus. There will time for questions too!

Residence Life and WMU Dining Services Learn about what to expect this fall with your housing experience and move-in, as well as details about dining and on and off-campus meal plans.

Student Engagement and Community Standards Whether you live on campus or not, you are part of the Western Michigan University community. This presentation will help you explore how you can become actively engaged within your community, while learning about various standards that we value at WMU.

Student Success Services WMU is committed to providing academic support programs that connect students to resources they may need to achieve their academic and personal goals. Attend this session to learn more.
