This is an opportunity for the PCC to clarify and expand its role, subject to review by the Executive Board. For example, it may be advisable for the PCC to explicitly review/ investigate policies that generally influence issues of professional concern.
2. Review the WMU Academic Standing Policy.
3. Review the need to cap the number of courses that students can register for.
4. Address any continuing or outstanding issues or initiatives as deemed necessary by the committee. To the extent possible, conclude any outstanding initiative by producing a memorandum of action (MOA), report or resolution.
