Carla Chase will serve as the Faculty Senate Executive Board representative on GSC

In addition to the specific responsibilities listed in the Graduate Studies Council’s role statement and the work of subcommittees if such exist, the Faculty Senate Executive Board charges the GSC to consider, as a committee of the whole or through the appropriate subcommittee or task force, the following issues:

1. Review the scope and description of the council’s role statement and assess the effectiveness of the council’s practices. Address any continuing or outstanding issues or initiatives as directed by the Faculty Senate Executive Board.

2. Review curriculum proposals which propose to create a new graduate degree or certificate, delete a graduate program, or revise the name of any graduate degree or certificate, as well as any others required by WMU’s curriculum review process.

3. Solicit, review, and award the All-University Graduate Student Research and Creative Scholar Awards, and the All-University Graduate Teaching Effectiveness Awards, and other means to promote excellence in graduate education at WMU.

4. Continue review of graduate education policies, procedures, and forms to ensure they are supportive of student success, including issues related to doctoral candidacy and academic forgiveness, as well as other issues identified by the Graduate College in its review of policies within the Graduate Catalog regarding redundancy and clarity, or based on its review of survey input from the graduate faculty and professional staff survey conducted by GSC during 2016-17.

5. Review the level of support available to graduate students from WMU’s Writing Center and Career and Employment Services and offer recommendations as appropriate.

NOTE: The GSC will seek information from the Graduate College and related administrative offices to maintain communications with those offices on issues directly related to them. Council recommendations are to be submitted to the Executive Board in the form of a report (see the template for preparing reports included in the Faculty Senate Council/Committee Chair Handbook). After review, the Executive Board may invite the council to initiate a memorandum of action (MOA) on which the recommendation(s) is/are stated. Any draft MOAs requested by the Executive Board should be submitted using the DRAFT MOA template included in the Faculty Senate Council/Committee Chair Handbook.

The GSC chairperson shall provide a written summary of the council’s progress for the year; list the above charges noting each item’s progress and current status; any other activities undertaken; and draft charges for the 2018-19 academic year, no later than June 30, 2018.
