DSS-Campus Location 2080 Seibert Building

DSS Faculty App

- DSS faculty App is a program on GoWMU that will give faculty access to student's accommodation list in one organized place
- Fall 2022 soft launch of the DSS faculty App, no change for faculty until Spring 2023
- Spring 2023 faculty will need to use the DSS faculty App on GoWMU
 - Email prompt to check DSS faculty App when a student request for their accommodations is a course
 - Faculty will no longer get student accommodation letters sent to their email
 - Faculty will be able to access information on students scheduling exams with the DSS office

Let us know what you think about the new goWMU

For faculty and staff

Note: A [VPN \(Virtual Private Network\)](#) connection is required for certain applications when connecting from off-campus.

Note: The Employee Self Service links in the new goWMU will require a second login with Bronco NetID and password for a temporary period. This will be resolved in the coming weeks as the development of the new goWMU continues.

DSS-ACCOMMODATE FACULTY PORTAL

Disability Services for Students is excited to announce that all faculty will have access to DSS-Accommodate portal on GoWMU, which will provide a single, seamless way to view students' accommodation information.

For the Fall 2022 semester, you will still get accommodation letters sent to your email address, but you will now be able to also access those letters through DSS-Accommodate. Additionally, you can access your class list on the DSS-Accommodate portal to view a summary of your enrolled students and any accommodations they've requested in one easy place.

Starting in Spring 2023, accommodation letters will no longer be sent to faculty emails. You will get an email prompt from DSS to check their DSS-Accommodate portal on GoWMU each time a student requests accommodation information to be sent to their professors.

ANSWERS TO THE 10 MOST COMMON QUESTIONS ABOUT DSS

How do students get DSS approval for accommodations?

Students, who have met the academic eligibility requirements and are admitted to WMU, provide documentation, such as medical records, psycho-educational testing and school records and meet with a coordinator at DSS. During the meeting with the DSS coordinator, barriers and strategies, including reasonable accommodations, modifications and adjustments, are discussed to determine the requirements for providing access to learning for the student.
