The Academically Talented Youth Program (ATYP) encourages all of its students to obtain library privileges at Western Michigan University, and **STRONGLY RECOMMENDS** it for English students. It is very difficult to do the amount and level of research necessary for the papers in these classes without access to the university library system.

The student's library privileges may be revoked if this form is not returned by the above deadline.

ATYP students are required to either opt in or opt out of library privileges. Please choose **ONE** of the two following options:

- Yes**, I have read and am willing to abide by all rules of Western Michigan University's Waldo Library as enclosed. I understand that any fines or fees incurred while using Waldo Library privileges are my responsibility, and not those of ATYP.
- No**, I have read the rules of Western Michigan University's Waldo Library, and am unwilling for my child to have library privileges at this time. I understand that an inability to use the library may compromise my child's ability to produce quality research which may, in turn, affect his/her overall grade.
