Resolution: 1.18 Graduate Student Association Director and Editor of the Hilltop Review tenure revision.
Introduced: February 23, 2018

Whereas, the fact that the position of Director and Editor of the Hilltop Review requires WMU graduate students to commit to two years in that role makes it almost impossible for Masters’ students to apply, and;

Whereas, the Director and Editor of the Hilltop Review can receive guidance and training from the GSA President and Vice President to help them navigate the procedural requirements of the publication process, and;

Whereas, the current GSA E-Board believes that increasing the pool of candidates will allow the Association to select the best applicant to serve their fellow graduate students, and;

THEREFORE LET IT BE RESOLVED, that the GSA E-Board urges the Association’s General Assembly to remove the Director and Editor of the Hilltop Review from the Clause 2, Article V of the GSA Constitution that reads “The President, Vice-President, and the Director and Editor of the Hilltop Review of the GSA shall be elected biannually and as such, shall serve terms of two (2) years in duration. Whereas the rest of the executive board officials shall serve a term of one (1) year,” so that the it reads “The President, Vice-President of the GSA shall be elected biannually and as such, shall serve terms of two (2) years in duration. Whereas the rest of the executive board officials shall serve a term of one (1) year.”

LET IT BE FURTHER RESOLVED, that with the approval of the General Assembly the GSA Parliamentarian will make the changes necessary so that the GSA governing documents will reflect that the Director and Editor of the Hilltop Review is from now on a one (1) year position.
