TEAMS CLASSROOM TEXTS

Medieval Institute Publications publishes several series of affordable classroom texts in partnership with the Teaching Association for Medieval Studies (TEAMS).

TEAMS was originally founded as a committee of the Medieval Academy of America to develop new ways to support the teaching activities of its members. It was later reorganized as an independent nonprofit educational corporation whose mission continues to be the support of teaching in medieval studies at the undergraduate, secondary and elementary school level through the provision of resources and the sharing of techniques.
