## Mentor's Corner

## Mentoring Opportunities

As we move forward into the new academic school year we have been updating and reaching out to past and potential new mentors for our Mentoring Program.

Mentoring has always been a strong component of the

Seita Scholars Program and we strive to continue this important relationship model in order to foster growth, leadership qualities, experience, and skills for each of our Seita Scholars.

If you or anyone you know are interested in becoming a mentor in our Mentoring Program, we would love to connect and give you more information on how you can make an impact on our Seita Scholars' lives!

The [Mentor Application](#) is as easy as a click! Please feel free to visit our [website](#) or email [Peter Thompson](#) if you have any questions or want more information.
