

PROPOSAL: Convert the History: Public History Concentration to a Program

Background

The Graduate Studies Council of the Faculty Senate has approved the conversion of the History: Public History concentration to a program entitled Public History offered by the Department of History in the College of Arts and Sciences.

Per MOA 23/01

Concentrations were previously defined as separate academic programs in the July 8, 2015 revision of this policy. Concentrations have evolved since that time and in practice are technically the same as a major. To simplify the curriculum, no new concentrations will be created, and any curriculum change to existing concentrations must also change the concentration to a major.

Recommended Action

Convert the concentration – History: Public History – to a program – Public History.
