All students graduating from WMU must meet the requirements of WMU Essential Studies.

**Michigan Transfer Agreement (MTA):** Students whose transcripts have been certified as having fulfilled the requirements of the Michigan Transfer Agreement by West Shore Community College will have satisfied WES Level 1: Foundations and Level 2: Exploration and Discovery requirements. Students then only need to satisfy WMU Essential Studies requirements of two Level 3: Connections courses (one from Local and National Perspectives and one from Global Perspectives).

**Transferring in to WMU without having fulfilled the MTA** requires completion of one course from each of the 12 categories shown under the three levels below in order to graduate from WMU. Prior to registering for your first semester at WMU, please meet with your WMU academic advisor to determine which levels and categories are still needed to complete your degree at WMU.
