Provost:

#### NOT FOR USE FOR CURRICULAR COURSE CHANGES

#### REQUEST FOR PROGRAM IMPROVEMENTS

1. Explain briefly and clearly the proposed improvement:

We propose to delete the Health Education Major (HESJ/PRHS).

2. Rationale. Give your reason(s) for the proposed improvement.

The Michigan Department of Education has discontinued the Health Education standalone endorsement and we can no longer admit students into the standalone endorsement program. All students interested in teaching physical or health education in Michigan must complete a dual physical education and health education endorsement program. The dual endorsement program (Physical and Health Education Teacher Education: K-12) started enrolling students in Fall 2018.

3. Effect on other colleges, departments, or programs. If consultation with others is required, attach evidence of consultation and support. If objections have been raised, document the resolution. Demonstrate that the program you propose is not a duplication of an existing one.

No other colleges, departments or programs are effected by this program deletion.

4. Effect on your department's programs. Show how the proposed change fits with other departmental offerings.

This program deletion will have no effect on department programs. Students interested in Physical or Health Education will enroll in the new program. No courses are being deleted.

5. Alignment with college's and department's strategic plan, mission, and vision.

All teacher education programs must be state approved. We are deleting this program because it is no longer state approved for new students.

6. Effects on enrolled students: Are program conflicts avoided? Will your proposal make it easier or harder for students to meet graduation requirements? Can students complete the program in a reasonable time? Show that you have considered scheduling needs and demands on students' time.

No effect. All enrolled students can complete this program or move into the new dual endorsement program.

7. Student or external market demand. What is your anticipated student audience? What evidence of student or market demand or need exists? What is the estimated enrollment? What other factors make your proposal beneficial to students?

N/A. This is a program deletion.

8. Effects on resources. Explain how your proposal would affect department and University resources, including faculty, equipment, space, technology, and library holdings. If proposing a new program, include a letter and/or email of support from the university libraries affirming that the library resource issues have been reviewed. Tell how you will staff additions to the program. If more advising will be needed, how will you provide for it? What will be the initial one-time costs and the ongoing base-funding costs for the proposed program? (Attach additional pages, as necessary.)

There will be no effect on resources. All resources have shifted to the new dual enrollment program.

List the learning outcomes for the revised or proposed major, minor, or concentration. The department will use these outcomes for future assessments of the program.

N/A. This is a program deletion.

10. Describe how this change is a response to assessment outcomes that are part of a department or college assessment plan or informal assessment activities.

The state discontinued the endorsement so we need to delete the program.

11. (Undergraduate proposals only) Describe in detail how this change affects transfer articulation for Michigan community colleges. For new majors or minors, describe transfer guidelines to be developed with Michigan community colleges. For revisions to majors or minors, describe necessary revisions to Michigan community college guidelines. Department chairs should seek assistance from college advising directors or from the admissions office in completing this section.

No effect on transfer articulations. No courses are being deleted and students can transfer into the new program.

12. Please offer both "Current Catalog Language" and "Proposed Catalog Language" if there is to be a change in the catalog description for a given program. For the "current" language, please copy and paste relevant language from the most current catalog and for the "proposed" language, please share the exact proposed new catalog language. As possible, bold or otherwise note the key changes in the new proposed catalog language.

# **Current Catalog Copy (2019-2020)**

## **Health Education Major**

Admission to this major is suspended.

Successful completion of the health education major makes the candidate eligible for K-12 teacher licensure in Michigan.

Students must complete the education sequence required by the Department of Teaching, Learning, and Educational Studies, including the intern teaching experience. Subject area tests of competence administered by the Michigan Department of Education must be passed prior to certification by that agency. In addition, Health Education majors must serve as a teaching assistant for one semester in a content specific course (i.e., HPHE 1110, 1810, 2200, 2210, 2220, 3160, 3170, 3810). Students must complete HPHE 1550, 2200, 2210, and 2220 prior to application for teaching assistantship. Candidates should obtain teaching assistant applications from the Human Performance and Health Education department office to register for this experience. Health Education majors are expected to have **valid** first aid and CPR certificates prior to intern teaching or an internship.

# **Baccalaureate-Level Writing Requirement**

Students will satisfy the Baccalaureate-Level Writing Requirement by successfully completing:

HPHE 4500 - Cultural Dynamics in Human Performance and Health Education Credits: 3 hours

## Required Cognates (17 hours)

- BIOS 1120 Principles of Biology Credits: 3 hours
- BIOS 2110 Human Anatomy Credits: 4 hours
- BIOS 2400 Human Physiology Credits: 4 hours
- PSY 1000 General Psychology Credits: 3 hours
- SOC 2000 Principles of Sociology Credits: 3 hours

#### **Professional Education Sequence (24 hours)**

- ED 2500 Human Development: Applications in Education Credits: 3 hours
- ES 3950 School and Society Credits: 3 hours
- HPHE 4100 Physical Education Intern Seminar Credits: 1 or 2 hours
- HPHE 4750 Intern Teaching: Physical Education Credits: 5 or 10 hours
- LS 3050 K-12 Content Area Literacy Credits: 3 hours
- SPED 4290 Learners with Disabilities in Secondary Education Programs Credits: 3 hours

#### **Professional Preparation (39 hours)**

- Required Teaching Assistant
- HPHE 1550 Foundations of Health Education Credits: 3 hours
- HPHE 2200 Health Concepts and Strategies Credits: 4 hours
- HPHE 2210 Healthy Behaviors Credits: 4 hours
- HPHE 2220 Basic Health Concepts III Credits: 3 hours
- HPHE 3120 Planning School Health Programs Credits: 3 hours

Revised Sept. 2018. All previous forms are obsolete and should not be used.

- HPHE 3160 Issues in Health Education Credits: 2 hours
- HPHE 3500 Modification of Health Behavior Credits: 2 hours
- HPHE 3520 Teaching Health in the Elementary School Credits: 2 hours
- HPHE 3540 Human Sexuality Education Credits: 4 hours
- HPHE 3810 Instructor First Aid Credits: 2 hours
- HPHE 4120 Teaching Skills and Strategies Credits: 3 hours
- HPHE 4140 Measurement and Evaluation in Health Education Credits: 3 hours
- HPHE 4500 Cultural Dynamics in Human Performance and Health Education Credits: 3 hours

## **Electives (4 hours)**

Elective courses recommended for Health Education majors may be selected from the following:

- FCS 2600 Nutrition Credits: 3 hours
- FCS 2660 Personal Nutrition Credits: 3 hours
- HPHE 3000 Seminar Series Credits: 1 to 4 hours
- HPHE 3160 Issues in Health Education Credits: 2 hours
- HPHE 5160 Issues in Health Education Credits: 1 to 3 hours
- SOC 4120 Child Abuse Credits: 3 hours

**Proposed Catalog Copy (2021-22)**
