NOT FOR USE FOR CURRICULAR COURSE CHANGES

REQUEST FOR PROGRAM IMPROVEMENTS

1. Explain briefly and clearly the proposed improvement:

We propose to delete the Physical Education Teacher/Coach major.

2. Rationale. Give your reason(s) for the proposed improvement.

The Michigan Department of Education has discontinued the Physical Education standalone endorsement and we can no longer admit students into the standalone endorsement program. All students interested in teaching physical or health education in Michigan must complete a dual physical education and health education endorsement program. The dual endorsement program (Physical and Health Education Teacher Education: K-12) started enrolling students in Fall 2018.

3. Effect on other colleges, departments, or programs. If consultation with others is required, attach evidence of consultation and support. If objections have been raised, document the resolution. Demonstrate that the program you propose is not a duplication of an existing one.

No other colleges, departments or programs are effected by this program deletion.

4. Effect on your department's programs. Show how the proposed change fits with other departmental offerings.

This program deletion will have no effect on department programs. Students interested in Physical or Health Education will enroll in the new program. No courses are being deleted.

5. Alignment with college's and department's strategic plan, mission, and vision.

All teacher education programs must be state approved. We are deleting this program because it is no longer state approved for new students.

6. Effects on enrolled students: Are program conflicts avoided? Will your proposal make it easier or harder for students to meet graduation requirements? Can students complete the program in a reasonable time? Show that you have considered scheduling needs and demands on students' time.

No effect. All enrolled students can complete this program or move into the new dual endorsement program.

7. Student or external market demand. What is your anticipated student audience? What evidence of student or market demand or need exists? What is the estimated enrollment? What other factors make your proposal beneficial to students?

N/A. This is a program deletion.

8. Effects on resources. Explain how your proposal would affect department and University resources, including faculty, equipment, space, technology, and library holdings. If proposing a new program, include a letter and/or email of support from the university libraries affirming that the library resource issues have been reviewed. Tell how you will staff additions to the program. If more advising will be needed, how will you provide for it? What will be the initial one-time costs and the ongoing base-funding costs for the proposed program? (Attach additional pages, as necessary.)

There will be no effect on resources. All resources have shifted to the new dual enrollment program.

List the learning outcomes for the revised or proposed major, minor, or concentration. The department will use these outcomes for future assessments of the program.

N/A. This is a program deletion.

10. Describe how this change is a response to assessment outcomes that are part of a department or college assessment plan or informal assessment activities.

The state discontinued the endorsement so we need to delete the program.

11. (Undergraduate proposals only) Describe in detail how this change affects transfer articulation for Michigan community colleges. For new majors or minors, describe transfer guidelines to be developed with Michigan community colleges. For revisions to majors or minors, describe necessary revisions to Michigan community college guidelines. Department chairs should seek assistance from college advising directors or from the admissions office in completing this section.

No effect on transfer articulations. No courses are being deleted and students can transfer into the new program.

12. Please offer both "Current Catalog Language" and "Proposed Catalog Language" if there is to be a change in the catalog description for a given program. For the "current" language, please copy and paste relevant language from the most current catalog and for the "proposed" language, please share the exact proposed new catalog language. As possible, bold or otherwise note the key changes in the new proposed catalog language.

Current Catalog Copy (2019-2020)

Physical Education - Teacher/Coach Major (130 hours)

Admission to this major is suspended.

Successful completion of the Physical Education - Teacher/Coach major makes a student eligible for K-12 certification for the teaching of physical education in Michigan. Students must complete the education sequence required by the Department of Education and Professional Development including the intern teaching experience. Physical Education major and minor students must serve as a teaching assistant for one semester in a general physical education course during their first 60 hours at Western Michigan University. Students should obtain teaching assistant applications from the Human Performance and Health Education department office to register for this experience. In addition, students must complete a minimum of 60 clock hours of observation and participation in both elementary and secondary public schools as well as an extensive lab experience with exceptional children.

To complete the coaching requirements of this major, students are required to engage in course work leading to MHSAA Coaches Advancement Program Beginning Certification, fulfill extensive field work in coaching special populations and successfully complete a seasonal field internship in a youth sport activity.

Baccalaureate-Level Writing Requirement

Students who have chosen the Physical Education-Teacher/Coach major will satisfy the Baccalaureate-Level Writing Requirement by successfully completing:

• <u>HPHE 4500 - Cultural Dynamics in Human Performance and Health Education</u> **Credits:** 3 hours

General Education

A list of approved General Education courses can be found in "Graduation Requirements and Academic Advising" earlier in this catalog.

Physical Education - Teacher/Coach Major (42 hours)

Admission to this major is suspended.

K-12 State Provisional Certificate

Required Cognates (14 hours)

- BIOS 2110 Human Anatomy Credits: 4 hours
- BIOS 2400 Human Physiology Credits: 4 hours
- HPHE 1110 Healthy Living Credits: 2 hours

Required Professional Theory Courses (17 hours)

- HPHE 1500 Foundations of Physical and Health Education Credits: 3 hours
- HPHE 2950 Functional Anatomy and Biomechanics **Credits:** 3 hours
- HPHE 2980 Exercise Physiology Credits: 3 hours
- HPHE 3150 Measurement, Evaluation, and Statistics for Exercise Science, Health, and Physical Education Credits: 3 hours
- HPHE 3810 Instructor First Aid Credits: 2 hours
- HPHE 4500 Cultural Dynamics in Human Performance and Health Education **Credits:** 3 hours

Required Coaching Theory/Techniques Courses (9 hours)

- HPHE 2350 Theory of Coaching Credits: 2 hours
- HPHE 4000 Field Experience/Internship in HPHE Credits: 1 to 8 hours
