## Electronic Funds Transfer

Electronic Funds Transfer (EFT) is a smart, simple, and secure way to make gifts to Western Michigan University. An EFT allows you to transfer funds directly from your checking or savings account without writing a check or entering credit card information.

Once enrolled, changes to amount, account, and frequency may be made by contacting the Western Michigan University Foundation.

EFT is ideal for those who wish to support Western Michigan University, but would like to make an easy-to-budget gift, or who would like to spread out their annual gift over the course of the year.

To begin an Electronic Funds Transfer gift to Western Michigan University, please fill out the form to the right.

You may also make your gift online at:
