INTERNATIONAL

LANGUAGE HOUSE

An Opportunity
to Work in Japan!

What is ILH?

International Language House was founded in 2006 as a dispatch English teaching company in Yokohama. ILH now has its own bilingual kindergarten and preschool, over 160 dispatch clients in Tokyo, as well as a division which places English ALT/ Child Care providers with Japanese institutions.

Curious About Working in Japan?

By the end of the 2020 school year in Japan, English education will start from a younger age and will have a bigger focus on development. English Childcare Providers and teachers are now in high demand with competitive salaries.
