Dear colleagues,

The New Year started off with a bang here, bringing warm weather with it. It’s 40°F and sunny today as I write this letter. Of course, Western Michigan University is in Kalamazoo and, as most of you know, our weather can be the butt of jokes and is anything but consistent. One thing that is consistent, though, is the International Congress on Medieval Studies in May, another is our friends old and new who join us here.

Good things to know about Congress 2020: A shuttle bus will take attendees from Congress Registration to the residence halls on Wednesday; the Valley Dining Center will have a cash bar for dinner on Thursday and Friday; the third annual lecture on the reception of the classics in the Middle Ages will take place on Thursday, May 7; and, the Congress’s mobile app will be available in April.

Goldsworth Valley 3 will host booksellers and vendors. The downtown Radisson Plaza hotel is our principal off-site venue; please consult the website for this and other off-campus lodging opportunities at Congress rates. Registration for on-campus housing remains part of the Congress registration process.

Our plenary lectures will be, as customary, at 8:30 a.m. in the Bernhard Ballroom. On Friday, Sharon Kinoshita will present “Marco Polo and the Diversity of the Global Middle Ages.” On Saturday, Wendy Laura Belcher will offer “The Black Queen of Sheba: A Global History of an African Idea.” We are grateful to the Medieval Academy of America for its support of the Friday plenary and to Medieval Institute Publications and De Gruyter for their support of the Saturday one.

Finally, let me thank the Program Committee, the Contributing Reviewers, the session organizers, and the General Session presiders. Special thanks go to the Medieval Institute’s staff and students.

I look forward to seeing you in May 2020.

Yours,

Jana K. Schulman
Professor of English and Director, The Medieval Institute

All attendees registering after April 22, including all on-site registrants, pay a $50.00 late fee.

PRE-REGISTRATION

Online: A link to the secure server can be found on the Congress website. Those using online registration must pay by credit card (Visa, MasterCard, American Express, or Discover). The system emails you a confirmation that your registration request was received. If you do not receive the expected confirmation email message, your registration for the Congress was not processed. Please direct questions to ma-tickets@wmich.edu. Please be sure that all information is complete and correct.

By mail or fax ($25.00 handling fee): Fill out the Registration Form, using the PDF file available on the Congress website. Mail or fax it before April 23 to Congress Registration c/o Miller Auditorium (fax: 269-387-2317).
PAYMENT

We can accept Visa, MasterCard, American Express, and Discover for credit card payments, but we cannot process electronic transfer of funds.

Only checks or money orders in U.S. dollars made payable to the Medieval Institute are accepted. Any checks or money orders sent in currencies other than U.S. dollars will be returned. All charges are due at the time of registration. Receipts are issued at the Congress. Post-dated checks cannot be accepted.

All who attend sessions, give papers or preside over sessions, visit the exhibits, or otherwise attend the Congress and participate in its activities must register. Be prepared to show your badge when requested to do so. The Program Committee reserves the right to deny future participation in the Congress to those who do not register properly and further reserves the right to refer any unpaid bills to the university’s collection services.

PRE-REGISTRATION PACKETS

Pre-registered attendees will find their packet of conference materials, including a receipt, available for pickup at Congress registration in the Eldridge-Fox lobby of the Goldsworth Valley 3 residence halls upon arrival. On-campus housing assignments are given at that time. Packets may be picked up around the clock from noon on Wednesday until the end of the Congress.

ON-SITE REGISTRATION

Congress attendees may register upon arrival but are assessed a $50.00 late registration fee. Registration is available in the Eldridge-Fox lobby of the Goldsworth Valley 3 residence halls. Please note that on-campus housing may no longer be available to on-site registrants.

The hours of on-site registration are:

- Wednesday, noon–midnight
- Thursday, 8:00 a.m.–midnight
- Friday, 8:00 a.m.–8:00 p.m.
- Saturday, 8:00 a.m.–5:00 p.m.

REFUNDS

Refunds for registration fees, housing, and meals are made only if Miller Auditorium has received notification of cancellation by April 22. No refunds are made after that date.
On-Campus Housing

On-campus housing is provided in the co-ed residence halls of Western Michigan University, which is a tobacco-free campus, indoors and out. There are two on-campus housing options, both designed for WMU undergraduates, and bathrooms are usually shared. Those who require hotel amenities such as private bathrooms and kitchen facilities will find them at area hotels. Registration for on-campus housing is a part of the Congress registration process. **Either or both on-campus housing options may be sold out before the close of pre-registration.** Please plan accordingly.

Basic accommodation without air conditioning is provided in the residence halls of the Goldsworth Valley 2 and 3 complexes, where most rooms are paired in “suites” with a shared bathroom.

Premium accommodation with air conditioning is provided in WMU’s newest residence halls (opened 2015), the Western Heights complex, where rooms are arranged into “houses” of 10–17 rooms with a community bathroom or bathrooms (each with a shared sink area and stalls for toilets and showers). We expect that most houses will be mixed gender, but registrants may opt for an all-female or all-male house. In Western Heights, which is fully wheelchair accessible, a refrigerator and an oven, but no microwave, is available in each house.
RATES

- Rates for basic accommodation in the Goldsworth Valley complexes are $40.00 per night for a single room and $33.25 per person per night for a double for those who pre-register for the Congress.
- Rates for premium accommodation in the Western Heights complex are $83.00 per night for a single room and $62.50 per person per night for a double for those who pre-register for the Congress.
- Any rooms booked to on-site registrants will be billed at the single rate, although two attendees who want to share a room may do so.

All on-campus rooms will be singles unless specific requests are received for double rooms, with roommate specified at the time of registration. Please indicate special housing requests at the time of registration. Every effort is made to accommodate timely housing requests, but not every request can be fulfilled. If you and a colleague request sharing a double room, the room assignment will be made only after both registrations have been received. You and a colleague or colleagues may request sharing an adjoining bathroom in the Goldsworth Valley complexes (i.e., ask to be suitemates), but suitemate requests can be honored only if registrations for all interested parties are received within five working days.

ROOM ASSIGNMENTS

Room assignments are indicated on the pre-registration packet available for pickup in the Eldridge-Fox lobby of the Goldsworth Valley 3 residence halls. Keys are picked up at residence hall to which you have been assigned. Rooms may be reserved for Wednesday, Thursday, Friday, Saturday, and Sunday nights of the Congress, but neither earlier nor later.

BED LINENS

Each attendee staying in on-campus housing is issued a pillow, two flat sheets, a summer-weight blanket, a towel, a washcloth, a bar of soap, and a plastic drinking cup. Fitted bottom sheets are available for $1.50 in limited quantities to those who pre-register for the Congress. Those who choose this option will find in the pre-registration packet a ticket to be redeemed at their residence hall desk for the fitted sheet.

CHECK IN

- Pre-registered attendees may check in around the clock between noon on Wednesday and the end of the Congress.
- On-site registration and check in is limited to Wednesday, noon–midnight; Thursday, 8:00 a.m.–midnight; Friday, 8:00 a.m.–8:00 p.m.; and Saturday, 8:00 a.m.–5:00 p.m.

REFUNDS

Refunds for housing are made only if Miller Auditorium has received notification of cancellation by April 23. No refunds are made after that date.

Travel

AIR

Kalamazoo/Battle Creek International Airport is served by Delta Air Lines, American Airlines, and United Airlines. Detroit and Minneapolis (Delta) and Chicago (American and United) are the major hubs offering air connections.

Some Congress attendees find it convenient to fly to Grand Rapids, South Bend, Detroit, or Chicago and rent a car. Driving time from Gerald R. Ford International Airport (Grand Rapids) and from South Bend Regional Airport is less than two hours. Driving time from Detroit Metro Airport is about two-and-a-half hours, from O'Hare (Chicago) at least three hours. Kalamazoo (Eastern Time) is always one hour ahead of Chicago (Central Time). Metro Cars (1-800-456-1701) offers car service from Detroit Metro Airport to Kalamazoo (ca. $350.00 plus gratuity; advance reservation 24 hours in advance recommended).

GROUND TRANSPORTATION FROM THE AIRPORT

Medieval Institute buses meet all incoming flights at Kalamazoo/Battle Creek International Airport on Wednesday and Thursday and transport passengers to Congress registration (Eldridge-Fox lobby of the Goldsworth Valley 3 residence halls). On Sunday, bus transportation to the airport is provided from 4:00 a.m. until 3:00 p.m.

The Radisson Plaza Hotel, the main off-campus site, the Four Points by Sheraton, and the Delta by Marriott provide shuttle service to and from the Kalamazoo/Battle Creek International Airport.

Taxi service is also available at the Kalamazoo/Battle Creek International Airport.

TRAIN AND BUS

Amtrak trains (Chicago–Detroit–Pontiac and Chicago–East Lansing–Port Huron routes), as well as Greyhound and Indian Trails buses, serve Kalamazoo daily, arriving at the Kalamazoo Downtown Transportation Center.

On Wednesday from 7:00 p.m. to 11:00 p.m.; on Thursday, Friday, and Saturday from 7:00 a.m. to 11:00 p.m.; and Sunday from 7:00 a.m. until 1:20 p.m., Medieval Institute shuttle buses travel between selected Congress locations on the Western Michigan University campus and the Radisson Plaza Hotel, a three-block walk on Rose Street from the Downtown Transportation Center (483 meters, 6 minutes).

Kalamazoo Metro Transit bus #16 (departing from the transportation center) stops near Congress registration (limited Sunday service), and taxi service is also available at the transportation center.
Driving and Parking

Kalamazoo is located at the crossroads of Interstate-94 and US Route 131 in Southwest Michigan, a two-and-a-half hour drive from Chicago or Detroit.

Driving from I-94 to Congress registration:
Take exit 74B onto US-131 north. Travel 2.8 miles on US-131 to exit 36 (Stadium Drive). Take Stadium Drive east (right) 2.2 miles to Solon Street. Turn left onto Howard Street and travel one mile to Goldsworth Valley Drive. Turn right onto Goldsworth Valley Drive into the WMU campus, and follow the signs to Congress registration.

PARKING

Be prepared to show your badge when requested to do so.

WIRELESS INTERNET ACCESS

Congress registrants with wireless-equipped laptops may obtain access to WMU’s wireless network by following the instructions contained in their registration packets. Those planning to use the internet during their presentations will need to establish a User ID in WMU’s wireless system on their laptops in advance of the session. Wireless access is available throughout the campus, indoors and out.

Diversity and Inclusion

Diversity at Western Michigan University encompasses inclusion, acceptance, respect and empowerment. This means understanding that each individual is unique and that our commonalities and differences make the contributions we have to offer all the more valuable. Diversity includes the dimensions of race, ethnicity, and national and regional origins; sex, gender identity and sexual orientation; socioeconomic status, age, physical attributes and abilities; and religious, political, cultural and intellectual ideologies and practices.

WMU’s Office of Institutional Equity promotes an environment of equal opportunity, equity, access, and excellence for all members of the University community, which includes all visitors to campus, and provides compliance oversight regarding applicable laws, regulations, and policies to ensure a welcoming, safe, civil, and inclusive environment. Social Media

Since 2010, the International Congress on Medieval Studies (@KzooICMS) has maintained a Twitter presence. The account is used to make announcements, post reminders, and answer questions. We establish an official hashtag for the conference, unique each year, so activity of the current Congress can be easily followed and activity for previous years can be found under their respective hashtags. The hashtag for the 55th International Congress on Medieval Studies is #Kzoo2020.

Real-time online interaction both opens conversations at the Congress to colleagues unable to attend and extends conference spaces for attendees. It can expand opportunities for networking and engaging wider academic communities within medieval studies, the humanities, and beyond. Social media applications offer spaces that can be rich resources to strengthen intellectual communities and connections both during and after conferences.

We ask that ICMS attendees keep three fundamental principles in mind at all times:

Consent
All speakers have both the right to request that their work, images, and/or any related material presented not be live-tweeted, live-blogged, or otherwise publicly posted and the right to expect that their requests will be respected. Audio or video recordings of sessions should not be made or posted without express permission of all of the session’s participants (ideally, these permissions should be secured in advance through the session organizer or presider). Photographs should not be posted without the consent of the subjects therein.

Respect
The Congress hashtag is a representation of the conference online as much as it is a representation of those using it. Please remember that your comments are public and should be made in the same tone you would use in-person: the medium in which professional activity is communicated doesn't change its professional nature and will be as important to scholars’ professional reputation as their academic work. This includes vulgar or profane language and language that is threatening or that includes personal attacks.

Because live-tweeting can have the appearance of a direct transcript of spoken words, it’s important to remember the potential for misappropriation (please attribute), misrepresentation (make sure your commentary is clearly identified as such), and misunderstanding (borne of removal of context); because Twitter is immediate and personal, it’s important to remember the potential for tone to be inaccurately communicated (or read). All powerful tools have the capability to injure, if mishandled.

Collegiality
Expressing appreciation and sharing links to useful/related information contribute to the conversation and strengthen academic connections. Disagreements and difficult topics are as integral to an intellectual community as scholarly generosity and should be handled with the same professionalism and respect online as face-to-face discussion.

Advance Notice—2020 Congress

55th International Congress on Medieval Studies
May 13–16, 2021

YOUR ACTION

If you want to organize a session or sessions: work through the appropriate organization and its representatives for a place as a Sponsored Session, OR propose a Special Session or Sessions. The deadline for session proposals—including sessions of papers, demonstrations, panel discussions, performances, poster sessions, practica, roundtables, and workshops—is June 1. By the end of June the Program Committee will have chosen its slate for inclusion in the call for papers posted on the Congress website in July.

We encourage organizers of Sponsored Sessions to consider pursuing co-sponsors for envisioned sessions. The Congress itself provides an excellent opportunity for the leadership of sponsoring organizations to seek connections with other organizations that might be interested in co-sponsoring a future session or future sessions.

TIMING, EFFICIENCY, FAIRNESS

Planning for sessions at the next year’s Congress should be well under way at each Congress as attendees interact and exchange ideas. The efficient organizer generally tries to line up speakers as soon as possible. Sessions that are “open” on June 2 may be closing or closed at any point along the timeline to the September 15 deadline. The organizer or the person proposing a paper who waits until the last minute may be very disappointed, being unable to build a promising session or to place a paper, respectively.

ABSOLUTE DEADLINES

For organizers of Sponsored and Special Sessions:

June 1, 2020: organizers propose sessions—including sessions of papers, panel discussions, roundtables, poster sessions, workshops, demonstrations, and performances—to the Program Committee

October 1, 2020: organizers submit session information online, with revisions permitted until October 15

For those proposing contributions to Sponsored, Special, and General Sessions:

September 15, 2020: proposals are made to contact person listed in the call for papers (for Sponsored and Special Sessions) or to the Program Committee (for General Sessions).
The Congress: How It Works

THE ACADEMIC PROGRAM

The core of the Congress is the academic program, which consists of three broad types of sessions:

**Sponsored Sessions** are organized by learned societies, associations, and institutions. The organizers set predetermined topics, usually reflecting the considered aims and interests of the organizing group.

**Special Sessions** are organized by individual scholars and ad hoc groups. The organizers set predetermined topics, which are often narrowly focused.

**General Sessions** are organized by the Program Committee at the Medieval Institute. Topics include all areas of medieval studies, with individual session topics determined by the topics of abstracts submitted and accepted.

SOME POLICIES

All Congress papers are expected to present unpublished original research never before offered at a national or international conference.

**Paper Presenter Eligibility.** All those working in the field of medieval studies, including graduate students and independent scholars and artists, are eligible to give a paper, if accepted, in any session. Enrolled undergraduate students, however, may give a paper, if accepted, only in the “Papers by Undergraduates” Special Sessions.

**Agreement to Deliver Papers in Person.** Submission of a paper proposal is considered agreement by the author to attend the Congress and to deliver the paper in person if it is accepted. It is a matter of Congress policy that papers are not read *in absentia.*

**Multiple Submissions.** You are invited to propose one paper for one session of papers. (All sessions that are not sessions of papers are designated as such in the session title in the call for papers.) The Program Committee reserves the right to disallow all participation to those who breach professional courtesy by making multiple submissions.
Travel Awards

CONGRESS TRAVEL AWARDS

The Congress Travel Awards are available to participants giving papers on any aspect of medieval studies in Sponsored and Special Sessions. The intention of these awards is to draw scholars from regions of the world underrepresented at past Congresses. These include countries of the former Eastern Bloc, Latin America, Asia, and Africa. There are three awards for each Congress: one award of $500, which is presented at the Congress, plus waiver of registration and room and board fees, and two awards that waive registration and room and board fees.

EDWARDS MEMORIAL TRAVEL AWARDS

The Archibald Cason Edwards, Senior, and Sarah Stanley Gordon Edwards Memorial Travel Awards are available to emerging scholars who are presenting papers on European medieval art in Sponsored and Special Sessions. There are two awards for each Congress: $250, which will be presented at the Congress, plus waiver of registration and room and board fees.

GRÜNDLER TRAVEL AWARD

The Otto Gründler Travel Award is available to participants giving papers on any aspect of medieval studies in Sponsored and Special Sessions. Preference is given to Congress participants from central European nations. There is one award for each Congress: $500, which is presented at the Congress, plus waiver of registration and room and board fees.

KARRER TRAVEL AWARDS

The Kathryn M. Karrer Travel Awards are available to students enrolled in a graduate program in any field at the time of application who are presenting papers in Sponsored and Special Sessions. There are two awards for each Congress: $250, which will be presented at the Congress, plus waiver of registration and room and board fees.

TASHJIAN TRAVEL AWARDS

The Richard Rawlinson Center offers the David R. Tashjian Travel Awards to participants giving papers on topics in Anglo-Saxon studies in Sponsored and Special Sessions. There are two awards for Anglo-Saxonists from outside of North America for each Congress. Both awards offer a waiver of registration and room and board fees. One of these awards also carries a $500 stipend, which is presented at the Congress.

APPLICATION

The deadline for applications is November 1. See the Congress website for application requirements and procedures: wmich.edu/medievalcongress/awards.
The Otto Gründler Book Prize

Western Michigan University announces the twenty-fifth Otto Gründler Book Prize to be awarded in May 2021 at the 56th International Congress on Medieval Studies. The winner will be announced at the Friday morning plenary lecture.

The Prize, instituted by Dr. Diether H. Haenicke, then President of Western Michigan University, honored and now memorializes Professor Gründler for his distinguished service to the University and his lifelong dedication to the international community of medievalists. It consists of an award of $1,000.00 to the author of a book or monograph in any area of medieval studies that is judged by the selection committee to be an outstanding contribution to its field.

ELIGIBILITY

Authors from any country are eligible. The book or monograph may be in any of the standard scholarly languages. To be eligible for the 2021 prize the book or monograph must have been published in 2019.

NOMINATIONS

Readers or publishers may nominate books. Letters of nomination, 2–4 pages in length, should include sufficient detail and rationale so as to assist the committee in its deliberations. Supporting materials should make the case for the award. Readers’ reports, if appropriate, and other letters attesting to the significance of the work would be helpful.

Richard Rawlinson Center

The Richard Rawlinson Center fosters teaching and research in the history and culture of early medieval England and in the broader field of manuscript studies. Named in memory of the founder of the Professorship of Anglo-Saxon at the University of Oxford, Richard Rawlinson (1690–1755), the Center opened in May 1994, and in 2005 it received the endowment established by Georgian Rawlinson Tashjian and David Reitler Tashjian to support its mission. A separate fund, also endowed by the Tashjian family, supports a study fellowship.

The Center offers the Paul E. Szarmach Prize to the author of a first article in the field of Anglo-Saxon studies published in a peer-reviewed scholarly journal that is judged by the selection committee to be of outstanding quality. The winner is announced at the Richard Rawlinson Center Congress speaker session.

The winner of the Szarmach Prize in 2019 was Erin Shaull for “Ecgþeow, Brother of Ongenþeow, and the Problem of Beowulf’s Swedishness,” published in Neophilologus. We welcome nominations for future prizes.

Medieval Institute Publications

Medieval Institute Publications (MIP), established in 1978, is a university press based at Western Michigan University. We publish a range of texts dealing with the late antique, medieval, and early modern fields.

OUR MISSION

Humanities research plays a vital role in contemporary civic life and offers human and humane insights into today’s greatest challenges. MIP is proud to take a stand for the humanities, we are committed to the expansion of humanistic study, inquiry, and discourse inside and outside of the university. We believe that humanities research should progress boldly, keeping pace with technological innovation, globalization, and democratization. Research into the premodern world offers complex understandings of how cultural ideas, traditions, and practices are constructed, transferred, and disseminated among different agents and regions. Knowledge of the premodern past, in particular, helps us to contextualize contemporary debates about identity, integration, political legitimacy, creativity, and cultural dynamics.

Understanding what it meant to be human in the premodern world is essential to understanding our present moment and our future trajectories. Current innovations in humanities research, employing digital tools for preservation, representation, and analysis, require us to return again to the earliest sources of our shared past, in the media and mentalities of the premodern world.

CO-SPONSORSHIP OF PLENARY WITH DE GRIJYTER

In celebration of the continuing success of our partnership with De Gruyter, MIP and De Gruyter are pleased to co-sponsor the Saturday morning plenary lecture by Wendy Laura Belcher.

OUR BOOKS

MIP publishes monographs and thematically coherent collections across several series. Although our publications have historically focused on medieval Europe, we have expanded geographically and chronologically to welcome submissions that embrace a wider conception of the premodern. We value a variety of established, new and diverse voices in humanities research. MIP also publishes journals and several series of affordable classroom texts for the Teaching Association for Medieval Studies (TEAMS).

Another way you can contribute to the mission of the Medieval Institute is by donating to one of the Institute’s three endowments.

- Your donation to the **Medieval Institute Endowment** provides general financial support for all activities of the Institute.

- Your donation to the **Otto Gründler Fund** will help emerging scholars, primarily from central European countries, attend the Congress by providing travel awards.

- Your donation to the **Cistercian and Monastic Studies Endowment** will support research on all aspects of the Cistercian tradition and in the broader field of religious traditions.

A screening of the 1999 film The 13th Warrior, based on Michael Crichton’s novel Eaters of the Dead, itself a loose retelling of Beowulf combined with Ibn Fadlan’s tenth-century account of encounters with Vikings on the upper reaches of the Volga River. A commercial flop, the film is of interest to medievalists for its intersection of Old English literature and Arabic history and its depiction of language acquisition.
