

*The Chemistry Department
welcomes*

Kylie Schultz M.A., LPC, NCC

Undergraduate Academic Advisor

Kylie Schultz has worked in various higher education and non-profit sector positions since graduating with her Master's Degree in Counselor Education from WMU in 2007, including serving as part-time faculty at KVCC and WMU since 2008. She brings many years of experience as a counselor, teacher and helping professional to working with college students.

A great day for Kylie is a day where she gets to talk to students all day! She enjoys running, kayaking, biking, cross country skiing and cooking for her family and friends.
